,1984      **Contemporary Immigration in America** Kathleen R. Arnold,2015-02-03 State and local immigration issues and  
policies for all 50 states are thoroughly examined in this unique up to date and accessibly written encyclopedia Immigration  
continues to be a timely and often controversial subject particularly regarding legislation at the state level While many books  
cover U S immigration both historical and contemporary few if any reference works examine the role of contemporary  
immigration in individual states This two volume encyclopedia fills that gap Chapters address legal social political and  
cultural issues of immigrant groups on a state by state basis and explore immigration trends and issues faced by individual  
ethnic populations The encyclopedia will enable students to research the impact contributions and issues of immigration for  
each state to make comparisons between states and regions of the United States and to understand state versus national  
policies By combining the history of immigration policy with current information the work shows readers that many of the  
issues making news today are the same as those the nation dealt with in past decades Studying state and local dynamics
