## **Practical Guide To Divorce:**

A Common Sense, Practical Guide to Divorce in New York Lenard Marlow,2020-07-02 With the exception of the loss of a child or someone very close divorce is often the most difficult experience anyone will have to negotiate in his or her life But what turns it into the tragedy that it so often becomes is the legal nonsense that they will be exposed to when they turn to divorce lawyers Divorce lawyers don t help They only make things worse That unfortunately has been the sad legacy that our adversarial legal system has bequeathed to divorcing husbands and wives But it doesn t have to be that way And it doesn t have to drag out for years or cost a king s ransom A lawyer is not just an advocate someone who uses the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to As this book argues a lawyer is also a counselor at law someone who will use the law as a common framework that divorcing husbands and wives can look to in their effort to conclude an agreement There is a name for this It is called divorce mediation and it doesn t take forever or cost a king s ransom

**A Common Sense, Practical Guide to Divorce Workbook** Lenard Marlow,2022-07-21 The simple message of this book is that divorcing husbands and wives should not allow divorce lawyers to send them off on a fool s errand that will take what is already a tragedy in their lives and turn it into a nightmare That is when they are persuaded to employ the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to Rather they should look to the law as a common framework that they can turn to in their effort to conclude an agreement and thereby get on with their lives There is a name for this It is called divorce mediation and it doesn t take
