Practising the Witch's Craft Douglas Ezzy, 2003-01-01. The writers of *Practising the Witch's Craft* provide deep insights for newcomers and for experienced witches into what it means to be a contemporary witch and how witches practise their art and integrate their magic with everyday life. Vivianne Crowley, author of *Wicca: The Old Religion in the New Millennium* and *The Natural Magician*, *Practising the Witch's Craft* tells the stories of ordinary people who have discovered that life is enchanted and that Witchcraft works for them. Much more than a book of spells, it shows how Witchcraft celebrates the pleasure and mystery of life. Leaders of the Witchcraft movement and practitioners with many years of experience talk about what real Witches actually do. They describe powerful rituals and moving magical encounters and discuss how they work with natural forces including sexuality and the seasons. They also explain how to do spells, create personal rituals, use incense and herbs, and find a coven. Witchcraft is a living spirituality that gives meaning and purpose in life and helps practitioners cope with hard times. With insights from many different traditions including Wicca and Paganism, *Practising the Witch's Craft* invites you into the world of contemporary Witchcraft.

Witchcraft for Beginners Lisa Chamberlain, 2015-10-31. Everything You Need to Know About the Witchcraft From Best Selling Wicca Author Lisa Chamberlain. Witchcraft is a word that for some may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate those who practice Witchcraft with the dark arts, believing witches go around hexing people or practicing black magic to cause trouble for people they dislike. Of course, none of these notions are accurate; they are rooted in old fairy tales, Hollywood movies, and stubborn, persistent misconceptions that still cloud many people's understanding of this timeless and magical way of life. The truth is, Witchcraft is not fantasy and is not inherently malicious. I ask you to leave these misconceptions at the door. When you've done this, you're ready to embark on a journey to understand the truth about Witchcraft: that it is a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Rather than hexing, Witches work their craft to enhance their lives and the lives of those around them. If you feel like your life is missing something, a little bit of magic could be all you need to give you a push in the right direction.
