Phelan,2014-08-11 In Dance in Ireland Steps Stages and Stories Sharon Phelan provides an in depth view of dance in Ireland during the colonial and post colonial eras She presents dance as an integral part of Irish life and as a signifier of cultural change Central themes are documented and analysed They include cross cultural influences the dance master and pantomimic dance traditions dance during the Gaelic Revival dichotomies in dance and the theatricalisation of Irish dance The book is illustrated with photographs and it is an indispensable resource for academics and artists alike as they continue to foster dance on the page and on the stage **The Dramas and Dramatic Dances of Non-European Races in Special Reference to the Origin of Greek Tragedy** William Ridgeway,1915 **The Misty Forest and the Wondrous Song** Joshua Mayer,2009-07 Panda was a lonely bear who spent his life wandering through the misty forest of the mountain One day Panda met a beautiful white cat who brought Panda to sing with joy and brought a new meaning to his life Panda and the cat spent many days singing together in great joy but one day they were interrupted by two strange mice and this interruption has made it very difficult for Panda and the cat to continue their song Will the mice continue to be an interruption Will Panda and the cat sing again How will this affect the other forest creatures The Camp of Gods Tears Marilyn Lee,John R. Mayfield,2011-10 A highly evolved civilization almost unknown to history thrived in North America for centuries long before the coming of Europeans The Camp of God s Tears is a tragic tale about this civilization as it ended This story is grounded in fact according to archeological genetic and linguistic data as reflected in the Afterward which presents supportive information and a bibliography of nearly 400 sources This saga is told as a narrative by Gray Wolf who begins his story during his late adolescence and follows through six generations until he becomes a great grandfather The Camp of God s Tears reveals the high level of sophistication of this culture which was far more advanced than many cultures of the same time period circa 300 AD More importantly it articulates the depth of their spirituality and moral codes by which these people lived While the mysterious ending of a great culture is heart rendering the story ends on a note of hope for contemporary times The story came to me in a dream It was told to me by Falling Star She answered a myriad of questions I asked She showed me the locations of where the events in the story took place She showed me her People who wore exotic clothes made of finely woven textiles decorated with pearls copper and other artistic ornaments She showed me strongly built homes their villages and their expansive farms I saw their social organization was powerful yet simple a few shaman elders and no real leaders She intrigued me with their immense earthworks which demonstrate accurate astronomical alignments to the Sun Moon stars and galaxies The organization of

labor engineering skills mathematical and astronomical knowledge required to build these phenomenal earthworks amazes modern researchers I asked Falling Star why she showed me all of this She said her People wanted their story told and asked me if I would tell it Of course I said and then I asked her why She said her People were so deeply spiritual so in tune and in touch with the Creator that they actively lived the principles of Oneness Their ways demonstrated what being one and at one with the One looked like in real life She said the people of my time need to know these principles and to learn to live them because humankind is struggling to regain balance in a troubled world
