*Red Rock* Thomas Nelson Page, 1898 Page from *Red Rock* with an inscription of a Miss Jones at the bottom *Red Rock Canyon Visitor Guide* Tom Moulin, 2013-01-01 A guidebook provides information not only on the best of what to see and do at Red Rock Canyon but also insight into the area's colorful history, amazing plants, and exciting animals found only minutes from Las Vegas, Nevada. Sized to be out in the field and constructed to withstand years of abuse, this reasonably priced guide is quickly becoming a must-have for both the know locals and casual visitors alike. Original *Best Climbs Red Rocks* Jason D. Martin, 2016-12-01 *Best Climbs Red Rocks* appeals specifically to traveling climbers and local climbers who want the best local climbing. Although the *Best Climbs* guides feature routes of all grades, the emphasis is on easy to moderate routes in the 5.6 to 5.10 range. The book will include nearly 200 featured routes, with each section including climbing area trivia and history in the form of short callouts, but the primary focus will be on the route selection and descriptions themselves. All routes will be shown clearly on detailed color photo topographs alongside stunning action photos and a contemporary design.

*Red Rock* Thomas Nelson Page, 2024-11-23 The old Gray plantation, Red Rock, lay at the highest part of the rich rolling country before it rose too abruptly in the wooded foothills of the blue mountains away to the westward. As everybody in the country knew who knew anything, it took its name from the great red stain as big as a blanket which appeared on the huge boulder in the grove beside the family graveyard at the far end of the Red Rock gardens. And as was equally well known or equally well believed, which amounted almost to the same thing, that stain was the blood of the Indian chief who had slain the wife of the first Jacquelin Gray who came to this part of the world, the Jacquelin who had built the first house at Red Rock around the fireplace of which the present mansion was erected, and whose portrait with its piercing eyes and fierce look hung in a black frame over the mantel and used to come down as a warning when any peril impended above the house. The bereft husband had exacted swift retribution of the murderer on that very rock, and the Indian's heart blood had left that deep stain in the darker granite as a perpetual memorial of the swift vengeance of the Jacquelin Grays. This at least was what was asserted and believed by the old negroes and perhaps by some of the whites too, a little. And if the negroes did not know who did, so Jacquelin often pondered Steve Allen who was always a reckless talker, however, used to say that the stain was nothing but a bit of red sandstone which had outcropped at the point where that huge fragment was broken off and rolled along by a glacier thousands of years ago, far to the northward, but this view was to the other children's minds clearly untenable for there never could have been any glacier there, glaciers as they knew from their geographies being confined to Switzerland and the world having been created only six thousand years ago. The children were well grounded by their mothers and Miss Thomasia in Bible history. Besides there was the picture of the Indian killer in the black frame nailed in the wall over the fireplace in the great hall, and one could not go anywhere in the hall without his fierce eyes following you with a look so intent and piercing that Mammy Celia was wont to use it half-jestingly as a threat, effectual with little Jacquelin when he was

refractory that if he did not mind the Indian killer would see him and come after him How often Mammy Celia employed it with Jacquelin and how severe she used to be with tall reckless Steve because he scoffed at the story and to tease her threatened with appropriate gesture to knock the picture out of the frame and see what was in the secret cabinet behind it What would have happened had Steve carried out his threat Jacquelin as a boy quite trembled to think for though he admired Steve his cousin above all other mortals as any small boy admires one several years his senior who can ride wild horses and do things he cannot do this would have been to engage in a contest with something supernatural and not mortal Still he used to urge Steve to do it with a certain fascinating apprehensiveness that made the chills creep up and down his back

**Red Rock** Thomas Nelson Page,2015-07-07 Excerpt from Red Rock A Chronicle of Reconstruction No doubt the phrase Before the war is at times somewhat abused It is just possible that there is a certain Caleb Baderstonism in the speech at times But for those who knew the old County as it was then and can contrast it with what it has become since no wonder it seems that even the moonlight was richer and mellower before the war than it is now For one thing the moonlight as well as the sunlight shines brighter in our youth than in maturer age and gold and gossamer amid the rose bowers reflect it better than serge and crepe amid myrtles and bays The great thing is not to despond even though the brilliancy be dimmed in the new glitter one need not necessarily forget the old radiance Happily when one of the wise men insists that it shall be forgotten About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reconstruction Nelson Page, 2016-08-18 The Region where the Grays and Carys lived lies too far from the centres of modern progress to be laid down on any map that will be accessible And as he who maps an undiscovered country may place what boundaries he will it need only be said that it lies in the South somewhere in that vague region partly in one of the old Southern States and partly in the yet vaguer land of Memory It will be spoken of in this story as Dr Cary General Legaie and the other people who used to live there in old times spoke of it in warm affection as the old County or the Red Rock section or just My country sir It was a goodly land in those old times a rolling country lying at the foot of the blue mountain spurs with forests and fields rich meadows filled with fat cattle watered by streams sparkling and bubbling over rocks or winding under willows and sycamores to where the hills melted away in the low alluvial lands where the sea once washed and still left its memory and its name
