Red Journey Back:

THE JOURNEY OF THE SPIRIT OF THE RED MAN H Bone; D Courchene; R Greene,2012-05-25 We the Elders have done our best to represent our Red Nation as Ojibway Cree and Dakota We present this story knowing it is an attempt to capture the richness and beauty of the Red Nation a people of the heart and the land We are an oral people We cannot transfer our way of life through written words alone Sacred law must be spoken and heard Our way of life is meant to be lived and experienced Our words are meant to inspire and guide our fellow human beings to follow the path of the heart We believe that there is one Creator for all that there is one Mother Earth that sustains all of us We do not own the Earth How can anyone own their mother We owe our existence to Mother Earth We believe that the spirit of the original Red Man was lowered to Mother Earth and our spirit chose to be born on Turtle Island This story tells of our human life and journey until our return back to the spirit world We believe the Creator has always been within our reach and that we have to return to the Earth to be guided to our true purpose

Red Tree, White Tree Wendy Berg,2010 The most important and challenging book on Arthurian and Grail tradition for many a long year Gareth Knight The relationship between human and Faery lies at the very core of the Arthurian stories In this radical re evaluation of the Grail legends Wendy Berg brings the ancient mythology of the British Isles into sharp focus centred around the marriage of King Arthur to the Faery Gwenevere and the origin and destiny of the Grail Hallows Drawing upon numerous Arthurian sources and other related texts from the Book of Genesis to The Lord of the Rings she explores the magical ritual underpinning of the legends and their connection to the ancient stellar deities of Britain When these stories are read with the additional level of understanding that they are for the most part a record of the lives and relationships of Faeries and humans working together about the Round Table they immediately become not only a great deal more interesting but also acquire a new and vivid relevance for the present day *Blue Door, Red Bowl* Joseph C.
