Problem Of Boston Some Readings In Cultu:

The Problem of Boston: Some Readings in Cultural History Martin Green,1966 **The Boston Cosmopolitans** M. Rennella,2008-03-31 This book traces the progression of cosmopolitanism from the private experience of a group of artists and intellectuals who lived and worked in Boston between 1865 and 1915 to finished works of monumental art that shaped public space **Left Intellectuals & Popular Culture in Twentieth-century America** Paul R. Gorman,1996 Since the late nineteenth century American intellectuals have consistently criticized the mass arts charging that entertainments ranging from popular theater motion pictures and dance halls to hit records romance novels and television are harmful to **The Problem of Boston** Martin Green,1966 Analysis of the figures and institutions of Boston s cultural life during the nineteenth century **The Citizen Poets of Boston** Paul Lewis,2016-04-05 Uncovers the vibrant lost world of Boston s post revolutionary poetry **Classical Music In America** Joseph Horowitz,2005-03-15 Classical Music in America is a pioneering history by an award winning scholar and leading authority on American symphonic culture Joseph Horowitz argues that classical music in the United States is peculiarly performance driven and he traces a musical trajectory rising to its peak at the close of the nineteenth century and receding after World War I He defines the decades of ascendancy as the quest for an American compositional voice painting vivid vignettes of America s most celebrated performers and such pathbreaking institutions as the New York Philharmonic and the Metropolitan Opera He explores a century of decline characterized by illustrious orchestras conductors and virtuosos mostly foreign born and in a final chapter he exposes a crisis of leadership and suggests new musical directions in our postmodern age As with his acclaimed cultural histories Horowitz here fashions a sweeping narrative backed with personality and incident textured by literature sociology and intellectual history that freshly illuminates the American experience 32 pages of illustrations **Henry James and the ideology of culture** Om Prakash Grewal,1969 **The Karl Muck Scandal** Melissa D. Burrage,2019 The demonization internment and deportation of celebrated Boston Symphony Orchestra conductor Dr Karl Muck finally told and placed in the context of World War I anti German sentiment in the United States BEST CLASSICAL MUSIC BOOK RELEASE OF 2019 by Classical music com the official website of BBC Music Magazine 2019 SUMMER READS ABOUT CLASSICAL MUSIC by the Australian Broadcasting Corporation 2019 BEST BOOK AWARD FINALIST in both the History and Performing Arts categories sponsored by American Book Fest 2019 SUBVENTION AWARD by the American Musicological Society funded in part by the National Endowment for the Humanities and the Andrew W Mellon Foundation One of the cherished narratives of American history is that of the Statue of Liberty welcoming immigrants to its shores Accounts of the exclusion and exploitation of Chinese immigrants in the late nineteenth century and Japanese internment during World War II tell a darker story of American immigration Less well known however is the treatment of German Americans and Germannationals in the United States during World War I Initially accepted and even welcomed into American society at the outbreak of war this group would face

rampant intolerance and anti German hysteria Melissa D Burrage s book illustrates this dramatic shift in attitude in her engrossing narrative of Dr Karl Muck the celebrated German conductor of the Boston Symphony Orchestra who was targeted and ultimately disgraced by a New York Philharmonic board member and by capitalists from that city who used his private sexual life as a basis for having him arrested interned and deported from the United States While the campaign against Muck made national headlines and is the main focus of this book Burrage also illuminates broader national topics such as Total War State power vigilante justice internment and deportation irresponsible journalism sexual surveillance attitudes toward immigration anti Semitism and the development of America s musical institutions The mistreatment of Karl Muck in the United States provides a narrative thread that connects these various wartime and postwar themes MELISSA D BURRAGE a former writing consultant at Harvard University Extension School holds a Master s Degree in History from Harvard University and a PhD in American Studies from University of East Anglia Support for this publication was provided by the Howard Hanson Institute for American Music at the Eastman School of Music at the University of Rochester

Buying Respectability Thomas Adam,2009-04-01 In 19th century Leipzig Toronto New York and Boston a newly emergent group of industrialists and entrepreneurs entered into competition with older established elite groups for social recognition as well as cultural and political leadership The competition was played out on the field of philanthropy with the North American community gathering ideas from Europe about the establishment of cultural and public institutions For example to secure financing for their new museum the founders of the Metropolitan Museum of Art organized its membership and fundraising on the model of German art museums The process of cultural borrowing and intercultural transfer shaped urban landscapes with the building of new libraries museums and social housing projects An important contribution to the relatively new field of transnational history this book establishes philanthropy as a prime example of the conversion of economic resources into social and cultural capital
