Problems In Administrative Reform:

Problems in Administrative Reform Robert D. Miewald, Michael Steinman, 1984 *Problems of Administrative Reform Implementation* Andres Caso, 1971 **Problems of Administrative Reform** Arthur E. Naftalin, 1958 Sources of Administrative Reform John Dickey Montgomery, 1967 **Re-thinking Administrative Reforms in Southeast Asia** Khai Leong Ho, 2006 Focusing on trends and practices in administrative reform broadly defined as efforts and policies to improve the capacity of governmental institutions and service delivery this edited volume presents a comprehensive survey of public sector management in various Southeast Asian states including Malaysia Singapore Indonesia Thailand Vietnam the Philippines and Myanmar The writers identify common problems associated with administrative structures and public employment arrangements and examine critical issues challenging each Southeast Asian government's efforts and commitments Their analyses and arguments also provide an alternative way of thinking about the directions of administrative reforms in these countries in the future **The Problems and Perspectives of Administrative Reform in the World** International Institute of Administrative Sciences (IIAS), 1982 The Problems and Perspectives of Administrative Reform in the World International Institute of Administrative Sciences. International Symposium, IIAS Tokyo Round Table Organizing Committee, 1982 **Development And The Politics Of Administrative Reform** Linn A. Hammergren, 2019-03-04 This book addresses the problems of administrative reform in Third World countries by examining recent reform efforts in Peru Colombia and Venezuela Dr Hammergren discusses the politics of administrative change and the interaction of the political and technical dimensions of reform in the three countries The failure of many reform programs she suggests can be traced to their conception primarily in technical terms the neglect of the political dimension encourages a division between the interests dominating the technical planning stages and the groups needed for implementation In the case of Third World programs this division is further aggravated by the impact of external actors on the power base and orientation of national reform planners While international support helped establish reform programs in the three countries studied it also dissuaded planners from building ties with other national groups and from broadening and intensifying their political bases Dr Hammergren explores the sources of program content in the case studies and the notion of reform success or failure and examines alternative strategies for designing reform programs Her emphasis is on identifying political programmatic and organizational variables that can be manipulated to enhance program implementation and effectiveness Administrative Reform B G. Peters, 2026-02-16 In this illuminating book B Guy Peters explores the common governmental practice of reforming the public bureaucracy He identifies widespread successes and failures while evaluating the efficacy of governmental reforms through political economic and organisational lenses **Administrative Reform and National Economic Development** Kuotsai Tom Liou, 2024-11-01 This title was first published in 2000 Economic development has become one of the popular public policies in many developing and economic transforming countries for the past few decades

Public policy makers and researchers have recognized that an effective administrative system is critical to the success of economic development and administrative reform is necessary to promote economic development This book studies economic development policy by focusing on the relationship between administrative reform and economic development

Administrative Reforms Amita Singh,2005-10-03 This volume analyses the impact of globalisation on governance and specifically on public sector reforms Starting from the premise that adhocism and sectoralism are the main reasons why past attempts at administrative reforms in India have not succeeded this book maintains that some of the basic tenets of mainstream approaches to administrative reform require urgent and critical re examination The ten essays in this book dwell on three distinct areas urban governance energy and environmental governance and service delivery systems which have been subjected to a blizzard of reforms in recent years The contributors investigate the role of public and private partners as agents of change and showcase successful experiments that have transformed the lives of local rural communities A
