Analysis and Applications

Second
Edition

DAVID N. HYMAN

The central graphic is a complex abstract composition. It features a large, dark brown, semi-circular shape on the left that overlaps with a larger, lighter brown, semi-circular shape on the right. A smaller, reddish-pink circle is positioned above the right-hand shape, and a blue circle is positioned below it. The background is divided into several sections: a blue triangular area at the top right, a grey area at the bottom right containing a dotted line and small colored dots, and a white area on the left with vertical black lines. A grid of black lines is overlaid on the central shapes.
