Presidential Archives:

Presidential Libraries and Collections Fritz Veit, 1987 Veit a veteran university librarian and authority in information science presents a brief descriptive account of the historical development and current state of presidential libraries and collections in the US Not intended as a piece of original research the work relies heavily on information distilled from government publications and questionnaires sent by the author to the nine presidential libraries and to repositories such as the Library of Congress that possess presidential archives The largest section of the publication describes the scope policies programs and services provided by the individual libraries A brief bibliography is current as is a discussion of the legal and financial implications of the 1986 Presidential Records Acts Veit s monograph will serve as a useful reference tool of undergraduate college students ChoiceR In recent decades the value of presidential papers for an understanding of the nation s history and the operation of our government has come to be more fully appreciated While efforts have been made to preserve these materials little has been done to describe their availability This authoritative new volume is designed to provide the researcher or librarian with complete data regarding the contents organization and facilities of each library and collection as well as an informed perspective on how these institutions have been created and maintained **Presidential Libraries Act and the Establishment of Presidential Libraries** Wendy R. Ginsberg, [Exploring the Libraries of the U.S. Presidents](#) Leonard V. Kalkwarf, 2015-09-08 What a thrill it was to visit our first presidential library It was the beginning of an incredible journey that resulted in visiting all of the presidential libraries which we seek to share with you in this book As of this date there are thirteen presidential libraries which belong to the National Archives and Records Administration We would like to take you along on this journey giving you our impressions and underscoring some of the historic events these visits called to remembrance The libraries are a glimpse into the lives of the men whose decisions and actions have made our nation what it is today What a fascinating and revealing journey this has been To visit one or all of the presidential libraries is an extraordinary experience and has heightened not only our understanding of the presidents but also of American history It did something else It gave us a destination making it possible for us to visit some very interesting places across the country Both of us are now retired after each of us spent fifty years in our chosen professions Not only do we have the time to travel but the continuation of our life long pursuit to learn Shortly after we began our visits we broadened our goal to visit at least one or more historic sites associated with each of our former presidents frequently that would be their birthplace or some major event associated with their life Eight years later we have achieved our goal we have visited all thirteen libraries and one or more sites related to each of our forty three former presidents We hope you enjoy visiting the presidential libraries through the reading of this book [Speechwriting in the Institutionalized Presidency](#) Kenneth Collier, 2018-04-18 This book traces the evolution of the speechwriting process for presidents in the White House from the administration of Franklin Roosevelt to the present While institutionalization of the speechwriting process has often been blamed for bland presidential

rhetoric this book draws out the many varied consequences of institutionalization on the speechwriting process Ultimately it concludes that the institutionalization of the process has actually served the presidency well by helping presidents avoid the adverse effects of poorly chosen words

Presidential Libraries and Museums Pat Hyland,1995 The definitive resource on the nation's 12 U S presidential libraries a rich and insightful tour in both pictures and words for the casual visitor as well as the student or scholar wishing to conduct research in them With over 80 photographs this book details each library's holdings which include official records photos films and papers Conveniently includes facts on each library including addresses phone numbers hours resources and contacts

FINDING REAGAN Kent Strobl,2025-06-29 There are many Ronald Reagan biographies and novels pertaining to the life and administration of the former president However there are very few if any that look at a handful of his positions and policies while relating them to the year 2024 almost four decades since former President Reagan was in office Just like how Reagan himself would do while in office analogies will be made that includes the positions actions and wisdom of other former presidents including Abraham Lincoln George Washington Thomas Jefferson James Madison Dwight D Eisenhower John F Kennedy Franklin Delano Roosevelt Theodore Roosevelt and Calvin Coolidge Not only will the reader explore how Reagan dealt with domestic and foreign affairs including tax reform welfare government spending civil rights dealing with the Soviet Union and Middle East as well as other areas of the world The reader will also see just how similar the world is to the 1980s and how solutions then can be used now along with new ideas that build off of what worked for The Gipper Along the way the reader will see how a private citizen that can be considered as Gen Z found his way into politics after not really being interested in it in the first 25 years of his life demonstrating how if you do not do the research on your own you can fall victim to what the mainstream pundits are sharing

The Cultural Diplomacy of South Korea Sumi Kim,2026-03-24 This book explores the role played by museums and museum exhibitions in South Korea's cultural diplomacy and international projection of itself to the world Based on extensive archival research and fieldwork in cultural diplomatic institutions across South Korea Britain and the United States this book charts the important role played by this form of cultural diplomacy It considers specific travelling exhibitions including Masterpieces of Korean Art which was on tour from 1957 to 1962 and 5000 Years of Korean Art on tour from 1976 to 1985 and permanent and special exhibitions in the Korea Foundation Gallery in the British Museum and the Arts of Korea in the Metropolitan Museum of Art globally This book goes on to examine the place of museums in South Korea's cultural diplomacy overall explores the connections with South Korea's very successful development of its cultural sector and concludes by assessing the effectiveness for South Korea of prioritising this form of soft power projection Analysing the developmental stages of South Korean cultural diplomacy in relation to international museum exhibitions this book will be a valuable resource to students and scholars of Korean history culture and diplomacy as well as museums studies

Presidential Libraries and Museums Christian A. Nappo,2018-01-23 Presidential libraries and museums are national monuments dedicated to the

memories of men who served as America's commander in chief There are twenty five soon to be twenty six presidential libraries and museums Following an introductory overview of presidential libraries and museums and their history comprehensive entries of each site are arranged from George Washington to George W Bush with information included about the current plans for Barack Obama's library Each entry contains information on Location and history Endowments Opening hours number of visitors and other facts Collections and permanent exhibits This first reference guide to all twenty five libraries and museums is a ready reference providing readers with quick and reliable information

Presidential Papers and the Presidential Library System Jannean L. Elliott, 1981 *Presidential Libraries and Collections* Fritz Veit, 1987-03-18 Veit a veteran university librarian and authority in information science presents a brief descriptive account of the historical development and current state of presidential libraries and collections in the US Not intended as a piece of original research the work relies heavily on information distilled from government publications and questionnaires sent by the author to the nine presidential libraries and to repositories such as the Library of Congress that possess presidential archives The largest section of the publication describes the scope policies programs and services provided by the individual libraries A brief bibliography is current as is a discussion of the legal and financial implications of the 1986 Presidential Records Acts Veit's monograph will serve as a useful reference tool of undergraduate college students ChoiceR In recent decades the value of presidential papers for an understanding of the nation's history and the operation of our government has come to be more fully appreciated While efforts have been made to preserve these materials little has been done to describe their availability This authoritative new volume is designed to provide the researcher or librarian with complete data regarding the contents organization and facilities of each library and collection as well as an informed perspective on how these institutions have been created and maintained

Fighting for Space Amy Shira Teitel, 2020-02-18 Spaceflight historian Amy Shira Teitel tells the riveting story of the female pilots who each dreamed of being the first American woman in space When the space age dawned in the late 1950s Jackie Cochran held more propeller and jet flying records than any pilot of the twentieth century man or woman She had led the Women's Auxiliary Service Pilots during the Second World War was the first woman to break the sound barrier ran her own luxury cosmetics company and counted multiple presidents among her personal friends She was more qualified than any woman in the world to make the leap from atmosphere to orbit Yet it was Jerrie Cobb twenty five years Jackie's junior and a record holding pilot in her own right who finagled her way into taking the same medical tests as the Mercury astronauts The prospect of flying in space quickly became her obsession While the American and international media spun the shocking story of a woman astronaut program Jackie and Jerrie struggled to gain control of the narrative each hoping to turn the rumored program into their own ideal reality an issue that ultimately went all the way to Congress This dual biography of audacious trailblazers Jackie Cochran and Jerrie Cobb presents these fascinating and fearless women in all their glory and grit using their stories as guides through the shifting social political and technical

landscape of the time The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter's performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter's public spirited post presidential career has made him one of America's greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America **The Presidency of Calvin Coolidge** Robert H. Ferrell, 1998 The first book length assessment of Coolidge's presidency in thirty years draws on the recently opened papers of his White House physician for hitherto unknown personal information Ferrell history Indiana U exonerates Coolidge for the failures of his party's foreign policy but holds him accountable for having had insufficient economic savvy to warn Wall Street against the overspeculation that caused the Depression Annotation copyrighted by Book News Inc Portland OR *Archives*, 1994 **American Blacklist** Robert Justin Goldstein, 2008 The first book to fully chronicle the origins evolution and demise of the McCarthy era program known as the Attorney General's List of Subversive Organizations originally conceived to ferret out disloyal federal employees but wielded as a controversial weapon that threatened the constitutional rights of ordinary citizens **The Presidency of George Bush** John Robert Greene, 2000 This comprehensive history of George Bush's administration paints a striking portrait of a positive moderate whose accomplishments have often been underrated 14 photos The Modern American Presidency Lewis L. Gould, 2009 The Modern American Presidency is a lively interpretive

synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos By Order of the President Phillip J. Cooper,2002 Cooper defines the different forms these powers take executive orders presidential memoranda proclamations national security directives and signing statements demonstrates their uses critiques their strengths and dangers and shows how they have changed over time Here are Washington s Neutrality Proclamation Lincoln s Emancipation Proclamation and the more than 1 700 executive orders issued by Woodrow Wilson in World War I FDR issued many executive orders to implement his National Industrial Recovery Act but also issued one that led to the incarceration of Japanese Americans during World War II Truman issued orders to desegregate the military and compel loyalty oaths for federal employees Eisenhower issued numerous national security directives JFK launched the Peace Corps and issued an order to control racial violence in Alabama All through executive action Mr. and Mrs. President Gil Troy,2000 With a new chapter devoted to Hillary and Bill Clinton s tainted partnership in office and to the present First Lady s senatorial ambitions this second edition offers fresh insights into America s paradoxical expectations for its presidential wives and husband Deeply engrossing Publishers Weekly 33 photos *The Presidency of Gerald R. Ford* John Robert Greene,1995 In addition Greene details Ford s rise to prominence within the Republican party chronicles the president s problematic relations with his staff the new Democratic Congress and Ronald Reagan sheds new light on the selection and performance of Vice President Nelson Rockefeller offers new insights into the election of 1976 and provides the first in depth look at Ford s clemency program for Vietnam era draft evaders
