[Prevailing Prayer](#) Dwight Lyman Moody, 2017-11-02 Dwight Lyman Moody defines a Prevailing Prayer as one which involves the entire being of the person praying the entirety of the mind is focused not upon material or life circumstances but the very being of God Such an effort to pray so deeply is difficult Moody himself an experienced evangelist and preacher had encountered many Christians who struggled to attain depth and connection with the Lord during their prayers This book intends to help the true believer attain a material closeness to the divine through prayer which prevails It is ideal for devotional reading before and after your daily prayers that the insights within remain in mind To help his fellow believers Moody quotes numerous stories from the Biblical scriptures together with personal anecdotes from his long career as a man of God We also hear of incidents in the life of Jesus Christ and the many obstacles He surmounted to teach humanity of God Tales from some of the most respected Christian preachers such as George Muller and Samuel Rutherford appear to affirm the power and blessings that wholehearted prayer brings The chapter topics range from virtues such as forgiveness to religious unity and togetherness with the divine Cases in which prevailing prayers were answered are also told to better inspire the seeker on his path **With Christ in the School of Prayer** Andrew Murray, 1887
