

Getting Started

The Internet Explorer Window

- ➊ **Title Bar** – displays the name of the current page and the name of the program.
- ➋ **Home Bar** – contains all of the tools for use with Internet Explorer 6.0.
- ➌ **Standard Buttons Bar** – contains standard buttons for standard Internet Explorer tools. Use these tool buttons to navigate, search, and work with sites.
- ➍ **Address Bar** – displays the current location's address.
- ➎ **Links Bar** – contains shortcuts to popular sites.
- ➏ **Explorer Bar** – displays various Explorer tools, such as tools for searching, accessing feeds, and viewing your favorite pages, history, and system folders.
- ➐ **Explorer Window** – displays the contents of the current page.
- ➑ **Status Bar** – displays the address associated with a selected link when you place your mouse pointer over the link. It also displays the status of a page as it loads, indicating how much of the page has been received.

Opening a Site

1. Select **Open** from the **File** menu, or press **Ctrl + O**.
2. Type an Internet address in the **Open** box. To select from a list of addresses, click the arrow button on the **Open** box and select an address from the pop-up menu.
3. Click the **OK** button.

Note: To open a site using the **Address bar**, click **www** in the **Address bar**, enter an Internet address, and press the **Enter** key.

Using AutoComplete

As you enter an address in the **Address bar**, Internet Explorer will suggest possible matches. If a suggestion in the list matches the address you want to open, click the address. To ignore the suggested addresses, just keep typing.

Opening a New Window

When you open a new Internet Explorer window, you can open more than one site at a time. Select **New from the File menu** and select **Window** from the resulting menu, or press **Ctrl + N**.

Changing Your Home Page

A home page is the page that appears when you launch Internet Explorer.

1. Open the page that you want to designate as your home page.
2. Select **Internet Options** from the **Tools** menu.
3. Click the **General** tab.
4. In the **Home page** section, click the **Use Current** button.
5. Click the **OK** button.

Using Links

Links are the underlined and/or colored words, phrases, or graphics that have Internet page addresses embedded in them. When the mouse pointer is on a link, the mouse pointer  turns into a hand . When you click a link, you are telling Internet Explorer that you want to view the Internet page associated with that link.

Using the Standard Buttons

Back – opens a previously viewed page. Click the down arrow on the button to view a list of previously viewed pages.

Forward – moves forward through pages that have been viewed using the **Back** button. Click the down arrow on the **Forward** button to view a list of the pages.

Stop – stops the current page from loading.

Refresh – reloads the current page.

Home – opens your home page.

Search – opens the Search page, where you can search for information.

Favorites – opens the Favorites page, where you can view and access your favorite pages.

Media – opens the Media page, where you can access and download media.

History – opens the History page, where you can view and access recently viewed sites.

Mail – displays a list of options for sending and reading mail using Outlook, Outlook Express, or your default e-mail program.

Print – prints the current page.

Edit – opens the page in an HTML editor program (e.g., Microsoft FrontPage), or other appropriate program, such as Microsoft Word.

Discuss – enables you to chat with other users on a discussion server.

Microsoft Internet Explorer 60 Quick Source Reference Guide Introduction

In today's digital age, the availability of Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Microsoft Internet Explorer 60 Quick Source Reference Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Microsoft Internet Explorer 60 Quick Source Reference Guide books and manuals for download and embark on your journey of knowledge?
