

Press Releases

General news & public announcements

This is simply to announce some important company news that you feel is relevant and worthy of being shared.

Examples could be successful funding rounds, new management in the company or the use of a new technology program to aid customers.

Events

Press releases can announce upcoming events hosted by your company to media outlets and current or potential customers.

Among other details, it reveals the theme of the event, who will be speaking, and where it will be held. The event could be a conference or charity event.

Charity

A charity press release is used to bring attention to a charity or cause, most often from a non-profit organization. You want a journalist to write about your event, fundraising or campaign. The purpose is to raise awareness to a broader audience and gain their participation.

New hire

These are to inform relevant stakeholders (investors, customers and the general public) of what value the new hire will add. For example, what experience this person has and what to expect from him or her going forward. It also provides the chance to reassure relevant stakeholders and give credibility, especially if the new executive has a wealth of experience in their field.

Product launch and improvement

These press releases are to tell an audience about a new (or improved) product that is being launched. The idea is to focus on what makes this product different to your competitors as well as to tell its benefits.

Merger, Acquisition & Partnership

An acquisition press release is used to announce a recent corporate acquisition to the media. It is used to inform and reassure stakeholders of the position the business is in and the importance of this. It can also be used to announce your wider intentions, and the future direction the company will take.

Crisis communications

Problems can occur at any time. This is why it is important to respond swiftly to any crisis. Solving the issue may not be enough.

Depending on the circumstance, you may need a press release to state how you will solve it exactly.

Award

Award press releases are used to let the media know they have won an award, why they won, and what it means for their business. It's a great way to get positive attention to your company's achievements and demonstrate your expertise.

Embargoed press release

Embargoed press releases refer to a news release, announcement or media alert specifically shared with some media before its official publication. A specific time is set for the information to be made fully public. These are most often used for more sensitive news releases. The idea is to give journalists more time to research and report the story more accurately.

FAQs About Press Releases Books

What is a Press Releases PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Press Releases PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Press Releases PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Press Releases PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Press Releases PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
