Launch Your Online Course Successfully Linda Pretorius,2021-02-25 Many people are moving over to online courses and remote learning to grow their intelect and to help them in their education According to Suddenly Online

an online survey found that almost half of college students had never taken an online course prior to the pandemic in 2020 Over the last 6 months though the use of online courses has increased by 57% since all universities transitioned to remote learning during the Spring 2020 semester Even as the pandemic settles down though it is expected that the prominence of online learning will remain This is a shocking increase in online learning that proves the importance of online course options in the modern world Creating Online Courses is Profitable On top of the numerous benefits for students that come with online learning creating online courses can have great benefits for the creators too The reason for this is that online course creators can charge for their courses resulting in an increased income In fact most online course creators make anywhere from 1 000 to 5 000 a month and some even make more than that Anyone can create a course no matter what niche you are in or expertise you have There are courses on building better habits to becoming a better hockey player Courses on getting out of toxic relationships or recovering from hurt or pain Even courses on how to do certain things to save more time like house cleaning with less hassle Unfortunately creating an online course can be difficult if you have never done so before As a result many people are deterred from creating their own courses Why Most Fail Trying To Create an Online Course The reason that many people find creating an online course difficult is that it requires some technical know how There are a lot of moving pieces when it comes to creating an online course You must be able to research topics use course platforms create lessons upload lessons and videos use video editing software and utilize email marketing and social media For people unfamiliar with this sort of work the thought of creating an online course can be stressful Thus they are discouraged from tackling the project of creating an online course I ve Got The Solution For You Knowing the best online tools and marketing techniques are the keys to creating a financially successful online course Many people assume that they have to be well versed in technology before starting the project which causes them to put off creating their online courses But that is simply not true In contrast anyone from a beginner to an experienced marketer can create a successful online course You just have to know the best beginner friendly tools to help you get started Once you discover these tools and tips you will be able to create your online course in no time Very few people know about these beginner friendly tools and tips though which is why we have created this detailed and informative guide about launching your online course With this guide you will gain key insights on course design creation editing and launching Allow me to introduce to you LAUNCH YOUR ONLINE COURSE Is a step by step guide that helps you turn your knowledge passion and skills into online courses to reach more people and create passive income Who this book is not for If your primary purpose to create online courses is just to make money then this book is not for you In this book I m teaching you different ways of presenting your online course but you are going to be part of your students all the time and every step of the way Your course becomes your business and if your primary purpose is not helping people then this book is not for you People before profits **LAUNCH YOUR ONLINE COURSE** Alex Damale,2020-11-19 Are you ready for a new wonderful career opportunity Teaching Online market these days become a
