Second Summoning:

The Second Summoning Tanya Huff,2025-10-14 Just when saving the world got fun again Keeper Claire Hansen s job has never been better There are still rips in the fabric of the universe for her to repair disasters to avert memories to adjust But it s far pleasanter with a handsome funny Bystander driving Claire and her talking cat through the sleet and snow in a warm truck reminding her to eat occasionally As long as she can keep him safe Dean is better than loveable he s great company Except Claire knows she can t keep him safe and it s her duty as a Keeper to refuse his great company along with everything else he s offering Which is Keeper speak for reluctantly dumping his admittedly amazing ass et al and continuing on her own But the Powers That Be have other ideas and next thing they know their uh reunion has resulted in an Angel and Demon running around Ontario with a few additions to their traditionally genderless anatomy One agent of cosmic chaos would be bad two is terrifying Add in the way Claire s equally chaotic teenage sister is interfering and this might be the battle of the sexes that ends it all
