The General Purpose

INTERCESSION

Gives an example of a godly attitude and demonstration of love through Paul's petition on behalf of the unprofitable runaway slave, Onesimus.

EXHORTATION

Provides instructions for church leadership with a charge to teach and defend "sound doctrine" and to admonish believers to zealously maintain "good works" while looking for our "BLESSED HOPE."

ENCOURAGEMENT

To encourage believers to live godly even while enduring times of persecution. Corrects false teaching concerning the nature of "suffering away" of the "Body of Christ."

ADMONITION

Colossians warns against the danger of not holding fast to the head of the Body. Because any departure from the truth will result in loss of rewards, believers are to set their "affection on things above, not on things on the earth."

SERVANTHOOD

Philippians explains that true joy is found in serving Christ. Faithful service requires believers to be "be crucified with Christ who was "obedient unto death".

IDENTIFICATION

Ephesians explains the heavenly position and oneness of the Body of Christ and challenges believers to live accordingly.

REPROOF

To rebuke and call the Galatian church to repentance for their departure from the Gospel of Grace to return to the Law.

CORRECTION

To correct divisions among the brethren and the abuse of spiritual gifts and immortality in the church at Corinth. Paul also defended his apostleship and taught on the resurrection.

EXPLANATION

Romans explains the "Grace of God" and the temporary setting aside of Israel.

The book of Romans gives us the fundamental truths necessary to understanding the plan and purpose of the Dispensation of the Grace of God revealed through the Apostle Paul. These truths are found only in Paul's writings and are essential to knowing in full the position, walk, commission, and hope of the Body of Christ.
