Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3  
Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation  
with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor  
in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above  
all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s  
conclusion challenges its readers by asking the question along with Luke s audience What must we do **The Church**
