Arthur and the Mysterious Artefact Craig Speakes, 2018-02-20 For twelve year old Arthur the summer holidays are all about fishing relaxing and trying to avoid doing his chores But this summer something unexpected is about to happen involving a peculiar white light a curious box and a request for help from a secret government space project The journey starts when Arthur discovers a mysterious black box which takes him to a top secret government space division in Siberia Here he learns that the box and another Artefact are the keys to reaching another civilisation but they won t work without Arthur He has no choice but to join the Earth s first interplanetary expedition to the farthest reaches of space Before Arthur has undergone any training the mission is suddenly put in jeopardy and must be launched immediately Worse still all is not well when they arrive A terrible hundred year war is building to its final battle and in this alien land where conflicts are fought with giant robots tanks that levitate and plasma weapons Arthur must trust in his friends and summon the courage to fight and survive But the stakes are higher than he could ever have imagined *Young Voices of Missouri 2017* Truman State University Press, 2016-12-31 *Young Voices of Missouri 2017* *The Choir Invisible* James Lane Allen, 1897 *Annals of the Cape Observatory*, 1901

Winter Dreams B. Price,2005-04 Trembling once more Garrison turned the key and the box opened All that he found within was a stack of old papers a ring an old piece of flint and a candle He looked at the ring and it was plain but for a single four pointed star and crescent moon emblazoned upon it He then turned his candle to the stack of papers and saw etched upon their cover sheet his father s rose insignia Trembling mind now years and distances away from this place within the dancing candlelight he began to read My dearest Perrion how grey it always seems here as if nothing moves It seems as if this silly job I ve taken with the circus with the bears is but for thoughts of you my only joy Oh I m sorry for this Forgive me mine love and accept this it is my ring and signet I shall not be going back ever and so I give it too along with mine heart to you In *Winter Dreams* author B Charles Price tells a tale of the reality beyond the fantasy through a beautiful depiction of the illusion
