Mountain Stranger Shirley Noe Swiesz,2001-01-29 Mountain Stranger has two main characters Sadra Pierce and Saul Prescott While the main characters are colorful and exciting perhaps it is the secondary characters the mountain people who steal the show It is this cast of characters that made up the wild times right after the Civil War in what later became the coal fields of Kentucky Sadra Pierce has been in love with Saul Prescott since she first saw him during the war but she is married to an abusive man chosen by her family Her husband is killed after the war and when Saul Prescott comes back to the mountains looking for land Sadra makes him a deal she will give him her lumber rich land in exchange for marriage The mother of two children and living in a harsh land Sadra is not the usual character for a love story She brings emotions and tenderness as well as mule headed stubbornness into the life of a young Northerner who turned his back on his Southern wife and fought for the North Saul Prescott feels he is not worthy of love and the fight begins between two determined people as family and friends join in And in the midst of it all the questions haunt each character who killed Sadra Pierce s husband Or is he really dead As you turn the pages you will become immersed in this fast paced drama

In a realm where the whisper of leaves carries ancient secrets and power flows through the earth s roots a new ruler rises from the shadows of the forest Here in a kingdom forged from the wilderness itself alliances are as fleeting as the morning mist and survival demands more than mere strength With a deep connection to the mystical forces of the forest our hero must tread the dangerous path to sovereignty balance the delicate politics of rival clans and master the raw untamed magic that permeates the land In the midst of battles that reshape the fabric of nature a dynasty is born of resilience and an unwavering will to survive This epic narrative weaves the strands of destiny and power into a story in which every heartbeat is a brushstroke in the great painting of a kingdom s rise
