Mourning Ruby:

Mourning Ruby Helen Dunmore, 2004-05-27 FROM THE AUTHOR OF INSIDE THE WAVE THE COSTA BOOK OF THE YEAR 2017 Rebecca was abandoned by her mother in a shoebox in the backyard of an Italian restaurant when she was two days old Her life begins without history in the dark outdoors Who is she where has she come from and what can she become Thirty years later married to Adam she gives birth to Ruby and to a new life for herself But when sudden tragedy changed the course of that life for ever and all the lives that touch hers Rebecca is out in the world again searching Mourning Ruby explores identity and maternal ties and is bestselling author Helen Dunmore s eighth novel Moments that bring the reader to tears a fascinating often brilliant novel The Times Bold and unusual miraculously written Dunmore s drama of loss and regeneration pieces together shattered lives Daily Mail Emotionally restrained beautifully observed Daily Telegraph Helen Dunmore has published eleven novels with Penguin Zennor in Darkness which won the McKitterick Prize Burning Bright A Spell of Winter which won the Orange Prize Talking to the Dead Your Blue Eyed Boy With Your Crooked Heart The Siege which was shortlisted for the 2001 Whitbread Novel of the Year Award and for the Orange Prize for Fiction 2002 Mourning Ruby House of Orphan Counting the Stars and The Betrayal which was longlisted for the Man Booker Prize 2010 She is also a poet children s novelist and short story writer *Mortuary Monuments and Burial Grounds of the Historic Period* Harold Mytum, 2012-12-06 Burial grounds strike an immediate chord with all who visit them They are land scapes full of pathos and cultural associations which many find attractive though a minority feel are too morbid to deserve detailed attention This book is designed to offer a framework for studying historic burial ground monuments and contains a certain amount of information regarding below ground archaeology as some projects will involve the study of both Moreover from a research perspective above and below ground archaeology together can throw considerable light on the process of dying body disposal and commemoration that formed a continuum for those involved However the more easily accessible graveyard memorials can be used to study many aspects of past culture beyond that directly associated with death and they are the focus of the book Most people who become interested in historic graveyard memorials come to the subject via the material itself Only rarely does a research question get posed and graveyard data seem like an appropriate arena for investigation This has the advantage that many researchers have some ideas about the data available but the disadvantage that they may not have clear questions to ask of it nor how to set their discoveries in a wider intellectual context The Children of Eliza Jessalyn Adamson, 2012-09 Ruby Reddings has only know life in her small peaceful village until the beast from the tales attack killing her sister and leaving the village in fear With one kiss on the forehead from Ruby her sister rises from the dead changing her world and helping her unearth the secrets of The Children of Eliza Including the discovery of nine others with abilities no one else possesses when one turns against them they have to come together with the help of Eliza to save the present and the future Contract on America David E.
