Reasonable Doubt Hanz Gutierrez Salazar, 2024-10-29 The Bible itself generates in the reader legitimate doubts Those doubts do not concern wrong readings but rather the correct ones because every correct reading is always partial and unilateral No reading ever catches and reflects the whole biblical horizon That would be idolatrous and dangerous A healthy interpretation of the Bible acknowledges both the structural unavailability of the text and the inevitable unilateralism of every reading Therefore a biblical hermeneutics of paradox does not aim and stop at the answer but rather aims at the extension and enrichment of the question Biblical hermeneutics is not and cannot be a synthetic and resolving instance of meaning It is not a hermeneutic of clarity but of complexity Indeed of dynamic complexity that is of paradox The meaning sought thus always remains elusive both in the text from which one starts Bible account taken of its structural ambivalence and in the interpretation to which the reader arrives because that legitimate and necessary

interpretation derived with effort and enthusiasm nevertheless remains partial and transitory capable of touching the meaning only tangentially and provisionally For this reason the reasonable doubt is the best way to stand and marvel in front of the text [The Last Trojan Hero](#) Philip Hardie,2014-03-30 The resonant opening lines of Virgil's Aeneid rank among the most famous and consistently recited verses to have been passed down to later ages by antiquity And after The Odyssey and the Iliad Virgil's masterpiece is arguably the greatest classical text in the whole of Western literature This sinuous and richly characterised epic vitally influenced the poetry of Dante Petrarch and Milton The doomed love of Dido and Aeneas inspired Purcell while for T S Eliot Virgil's poem was the classic of all Europe The poet's stirring tale of a refugee Trojan prince torn from Libyan waves to found a new homeland in Italy has provided much fertile material for writings on colonialism and for discourses of ethnic and national identity The Aeneid has even been viewed as a template and source of justification for British and European imperialisms and for American nation building In his major and much anticipated new book Philip Hardie explores the many remarkable afterlives ancient medieval and modern of the Aeneid in literature music politics the visual arts and film The Last Trojan Hero by one of Virgil's leading interpreters put continually fresh and surprising perspectives on one of the outstanding works of civilization Placing the Aeneid on a broad artistic and historical canvas it shows with elegance originality and creative insight how and in what ways this remarkably durable text continues so powerfully to capture the cultural imagination and why it still speaks to us over a gulf of centuries **Psychedelic Modernism:**

Literature and Film Raj Chandarlapaty,2024-04-16 The primary purpose of Psychedelic Modernism Literature and Film is to trace the development of ideas and perspectives from the writing and private ambitions of 20th century modernist writers including Aldous Huxley The purpose of the book is to offer a rough chronology during which ideas were first given a literary imagination then transposed onto discussions of science and psychology and then theoretically democratized to bring fruit to a relatively de centered process where images text and interviews could re conceptualize the modern Being from an admixture of modernist historical and pop roots that could express a greater moment in the human action The work includes discussions from scientists such as Swiss chemist Albert Hofmann rock stars such as Jerry Garcia and unconfirmed mystics such as Carlos Castaneda The primary focus of this work isn't literature per se but the literary imagination as it may correspond to greater wider and more impactful goals than the writing of 20th century fiction While there is some outreach that favors de centered models such as the Beat Generation the author's primary purpose is to assemble an anthology covering the study and quests for knowledge from as many sides as could power the relative 1960s countercultural movement [The American Educational Catalogue](#) ,1919 [Bulletin](#) ,1919 **The Publishers Weekly** ,1923 [The Athenaeum](#) ,1894 [The Wise Hazel Tree](#) Carolann Gregoire MSW,2018-09-18 Rituals for living in season renew our sense of personal power and understanding of the underlying magick of the universe that sustains us The magick is presented in an artful fusion of Astrology Numerology Feng Shui and Wicca In the branches of The Wise Hazel Tree these ancient traditions
