

A close-up photograph showing a person's hands. The left hand is held palm-up, and the right hand is pouring several small, round pills from a white plastic bottle into it. On the white surface in front of the hands, there are several scattered pills: some are yellow and some are red. To the right, there is a blister pack containing several red, oval-shaped pills. To the left, a clear glass is partially filled with water. The background is softly blurred, showing what appears to be a white lab coat.
