## Playa Ausente:

**The Complete Poetry** César Vallejo, 2007-01-08 This first translation of the complete poetry of Peruvian César Vallejo 1892-1938 makes available to English speakers one of the greatest achievements of twentieth century world poetry Handsomely presented in facing page Spanish and English this volume translated by National Book Award winner Clayton Eshleman includes the groundbreaking collections *The Black Heralds* 1918 *Trilce* 1922 *Human Poems* 1939 and *Spain Take This Cup from Me* 1939 Vallejo's poetry takes the Spanish language to an unprecedented level of emotional rawness and stretches its grammatical possibilities Striking against theology with the very rhetoric of the Christian faith Vallejo's is a tragic vision perhaps the only one in the canon of Spanish language literature in which salvation and sin are one and the same This edition includes notes on the translation and a fascinating translation memoir that traces Eshleman's long relationship with Vallejo's poetry An introduction and chronology provide further insights into Vallejo's life and work [Ni pies ni cabeza](#) Manuela Sans, 2020-02-03 En este libro la autora habla de la soledad del desamor y las vivencias del entorno que la rodean El día a día de cualquier persona los miedos que nos persiguen alguna vez **Antes de que hable el volcán** Oscar Melhado, 2020-07-22 El pesimismo supino que destilaban era una profunda amargura acumulada que los había cegado y los vedaba a percibir las permutaciones para encontrar todas las dimensiones de lo bello Un economista con vocación redentora de su país el director de la sinfónica quemando accidentalmente el manuscrito de su principal obra un escritor no ha podido escribir su mejor novela y un historiador que relata la trama Las erupciones del volcán son la manera abrupta con la cual la tierra expresa un dolor o una pasión Los volcanes y la actividad sísmica se manifiestan como las personas Como los escritores quienes sin opción son empujados por traumas de lo más interior del alma para escribir y así armarse con emblemas que ni el olvido ni el tiempo logran extinguir Nuestros escritos tienen el poder de los sortilegios y los conjuros Los hechos se desbocan porque nuestras palabras parecen haberlos provocado **Más allá de la fábula** Rosendo Tello Aína, 1998 *Ojos al Horizonte* Paola Tirapegui Bittner, 2017-05-24 *Ojos al Horizonte* contempla poemas de diversos temas tales como romance erótico nostalgia tristeza traición rebelión búsqueda interna rompimientos preguntas existenciales vejez pobreza ilusión amor imposible soberbia naturaleza La poeta a través de su pluma ha tratado de impregnar sus más puros sentimientos y reacciones frente al mundo que la rodea asimismo expresando ficción y realidad algo que el lector podrá a veces descubrir [Alas de luz](#) Rosetta Forner, 2015-06-02 En palabras de la autora Cuando uno aprende a amarse ser amable consigo mismo aceptarse tal cual es y sentirse agradecido por el regalo de la Vida despierta la magia hadada y la alegría esparce su risa por los pliegues alados del alma está es la historia de alguien que recupera la dignidad primigenia y así pudo desplegar sus alas de luz *The Black Heralds* César Vallejo, 2003 Throughout his life César Vallejo 1892-1938 focused on human suffering and the isolation of people victimized by inexplicable forces One of the great Spanish language poets he merged radical politics and language consciousness resulting in the first examples of a truly new world poetry *The Black Heralds* is Vallejo's first

book and contains a wide range of poems from love sonnets in which he struggles to free his erotic life from the bounds of Spanish Catholicism to the linguistically inventive sequence *Imperial Nostalgias* where he parodies with considerable savagery the pastoral romanticism of Indian and rural life In this bilingual volume translator Rebecca Seiferle attempts to undo the colonization of Vallejo in other translations As Seiferle writes in her introduction Reading and translating Vallejo has been a long process of trying to meet him on his own terms to discover what those terms were within the contexts of his particular time and finally taking his word for it from *Our Bread* And in this frigid hour when the earth smells of human dust and is so sad I want to knock on every door and beg forgiveness of I don t know whom and bake bits of fresh bread for him here in the oven of my heart César Vallejo 1892-1938 was born in Peru to a family of mixed Spanish and native descent He wrote two books of poetry the second of which was partly composed during a short prison term Disappointed by the reception of his poetry in his own country Vallejo moved to Paris where he became active in Marxist politics and the antifascist campaign in Spain while publishing essays political articles a play and short stories Vallejo died in Paris in utter poverty on the day Franco's armies entered Madrid
