

How to Play Sardines

1. Decide the area that you will play the game in. Inside or out it needs to have some good hiding places.
2. Choose someone to be the first sardine. If you have a larger group (10 or more) you may choose more than one sardine.
3. The sardine/s hides whilst the rest of the group count to 50 with their eyes closed.
4. Children search for the sardine/s. When they find them they join them, quietly, trying not to let anyone else know where they are.
5. Sardines can change hiding places but only if they are not caught.
6. The game is over when there is one person left searching. They become the next sardine.
