Neurotica Sue Margolis, 2003-08-26 If he always has the headache why should you suffer In the bestselling tradition of Bridget Jones s Diary comes this outrageous hilarious look at love marriage and sex introducing Anna Shapiro who believes that surely there must be more to married life Tabloid reporter Anna Shapiro can pinpoint the day three years ago that she and her husband Dan last had great sex Anna would be grateful if something as ordinary as a mere headache was her husband s excuse Dan s hypochondriac terrors include brain tumors tropical diseases and spontaneous combustion While she loves her husband she s not ready to give up on sex at age thirty seven so what can she do It s the perfect time for the distraction of a freelance assignment But what her editor has in mind is a story on the explosive new feminist manifesto that

prescribes no strings attached affairs for women Anna's assignment is to interview three women who've had extramarital affairs purely for sexual pleasure but she's inclined to take her research a bit further Can a woman have an uncomplicated affair purely for sexual pleasure or do her emotions invariably interfere Anna's determined to find out And despite her worries about her middle aged body potential research assistants prove to be plentiful Going where no journalist has gone before Anna delves into a world she'd never considered until now What is after all the perfect outfit for committing adultery in Is it truly beyond the pale to pick up a man no matter how sexy he is at a funeral And what can be done about that single horrifying gray hair The answers are more hilarious than Anna could ever have predicted But soon Anna finds herself facing the question that she never thought she'd have to answer Is she willing to give up her marriage and her children for what may be the biggest gamble of her life A novel for every woman who's ever wondered and every woman who hasn't Neurotica will have you roaring with laughter as it takes you on a wickedly delightful journey of sheer indulgence [Violet's Flight, Or, Kahbia](#) David R. with me Tisn t all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown s dock with boats of fish Wait a minute I didn t say I had come to give you a ride in the ark I just came to get it But you will let us ride won t you Bunker asked Bunny smiling at the tall boy Cause we ll sit just as still as anything added Sue And I won t touch the steering wheel not once promised Bunny I guess you d better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue s chums and when she heard Bunny s sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah s ark away I wouldn t let him if I were you It isn t Noah s ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah s ark but it s bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It s got to be fixed and I m to drive it to the shop over at East Milford That s why I came up Where s your mother I want to tell her I m taking away the ark so she won t think some tramps or some gypsies have run off with it I ll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown
