*Baseball's Great Expectations* Patrick Montgomery, 2024-03-05 It's Montgomery's journalistic eye for distilling the humanity behind the unfulfilled athletic potential that makes this a real home run Booklist Starred Review A Booklist Top 10 Book on Sports 2024 Stories of baseball idols and heroes are oft repeated but what about those players who everyone thought would be the next great one and have since disappeared from the sport What happened after they failed to meet the weighty expectations placed on them In *Baseball's Great Expectations* Candid Stories of Ballplayers Who Didn't Live Up to the Hype Patrick Montgomery brings out from the shadows nine of those players who were once poised for greatness They include a player who received a then record breaking MLB Draft signing bonus a left handed pitcher who was ordained to be the next Sandy Koufax the only catcher to go straight from high school to the major leagues during the MLB Draft Era and more Drawing from his extensive interviews with the players family members general managers executives scouts and more Montgomery shines a fresh light on these players and provides a candid perspective on

the major leagues Players reflect on their careers what went wrong how they feel about baseball now that their playing days are over and for many of them how they have found new purpose in their lives Baseball s Great Expectations reveals an often overlooked side of professional baseball of the struggles with injury mental exhaustion pressure temptations and sometimes just being in the wrong place at the wrong time The path to baseball stardom is not as glamorous as it is sometimes made out to be and this book reveals just how difficult the journey truly is The Baseball Gods Ronald DiFabbio,2006-07 Have you ever watched a baseball game and wondered why on some days every good call or lucky bounce goes in favor of the team you re rooting for while on the other days it seems like there is a grand conspiracy perpetuated by some higher power to keep them from winning Or maybe you ve wondered why some players always seem to get the big hit in the clutch while others wilt when the spotlight shines on them Or on a more personal level maybe you re someone who can t figure why your life is not what you had always hoped it would be and you feel powerless to do anything about it The questions of baseball and life are as mysterious as the compulsions that drive us to answer them but there are a group of beings that make their home on the ball fields of our youth and in the landscape of our dreams who can answer all our questions and teach us to live to a better life They are the Baseball Gods and this is the story of how I met them how they have changed my life **Hearings** United States.
