## **Pleasing The Punters:**

*Soccer Punters - Who Bets and Which Bias Is Produced* Farshid Bröker, 2012-05-06 Master's Thesis from the year 2012 in the subject Economics Micro economics grade 1-3 Frankfurt School of Finance Management language English abstract The online sports betting markets industry has been gaining in popularity worldwide during the last decade The Internet gives punters faster access to their bookmaker and lets them easily compare the odds of many different bookmakers Furthermore many online gambling sites offer a wide range of different sports events and specialized bets for their customers Nowadays it is not only possible to bet on the final outcome of a soccer match but even on the half time result or the amount of goals scored during the match The betting exchange betfair makes it possible to bet against a certain outcome meaning the punter can act as a bookmaker for a chosen event Betting on outcomes of soccer matches is very interesting with regard to probability theory because it is based on a numerical code 0 for a draw 1 if the home team wins and 2 if the home team loses Therefore many textbooks on combinatorics consider soccer bets to be a prime example for probability theory H Matthes and H K Chenhoff claim that soccer bets are a great example for the so called subjective probability which they define as the degree of confidence with which an observer believes in the occurrence of a certain event based on the information he currently has  $P(A)$  would be the maximum amount in EUR that he is willing to risk if he receives exactly EUR 1 on the occurrence of A For a bookmaker this would mean that his odd for a certain event will not exceed  $\frac{1}{P(A)}$  if he believes that the probability of its occurrence is 50% Hence odds that are offered by a bookmaker on the occurrence of a certain result reflect his individual estimation regarding the probability of the occurrence of the given result Of course bookmakers can be wrong If it were possible to identify a pattern for their mistakes this would help in exploiting them Furtherm

**The Memoirs of Jacques Casanova** Giacomo Casanova, 1894 **The Old Man and Me Again** Allan Prior, 1996 Continues the saga of the charmer Percy ex Infantry officer of World War I and his son newly returned from World War II [The Memoirs of Giacomo Casanova Di Seingalt](#) Giacomo Casanova, Giacomo Casanova di Seingalt, 1922 **The Official Rules of Card Games** U.S. Playing Card Co, 1922 **The Official Rules of Card Games**, 1913 **Weird Tales: Arthur's Hall. The doge and dogess. Master Martin the cooper. Mademoiselle de Scudéri. Gambler's luck. Master Johannes Wacht** Ernst Theodor Amadeus Hoffmann, 1885 **Weird Tales** Ernst Theodor Amadeus Hoffmann, 1885 [Male Prostitution](#) Donald West J, 2012-11-12 Here is the most comprehensive empirical study ever published about male prostitutes and their clients Written by one of the most distinguished international scholars in psychiatry and criminal justice this book provides a carefully designed presentation of in depth interviews with several hundred London rent boys The interviews included a large sample of one to one conversations in a private room tape recorded with the consent of the interviewees Dr West and his colleague Mr de Villiers bring you squarely into the everyday lives of male prostitutes and cover little known details of their lives such as the drift into homelessness sexual orientation entry into prostitution sexual orientation threats of blackmail

violence and murder by male prostitutes or their clients attitudes and intentions of the male prostitutes post prostitution careers legal and criminology issues personal fears desires and interests of male prostitutes Encyclopedic in scope and depth Male Prostitution never strays from combining high level research presented in a readily understandable and often entertaining style and incisive insights and issues critical for both the informed layperson and researchers in human sexuality Dr West and his colleague provide is a source of unbiased detailed information on the male sex industry and their clients which is unavailable in any other book published to date
