

The Managerial – Subordinate Relationship

- The relationship between managers and subordinates play a critical role in the success of small businesses.
- A small-business owner may have a handful of subordinates, while an executive at a large company may have hundreds of direct and indirect subordinates.
- A manager's job is much more difficult without capable and dedicated employees.
- Successful managers learn how to bring out the best in the people who work for them.
- Positive manager-subordinate relationships are invaluable to organizations because they enable positive employee attitudes, citizenship behaviors, task performance, and more effective organizations.
