

A dramatic illustration of Jesus walking on water. He is seen from behind, wearing a brown robe, with his arms slightly out. The sea is turbulent with white-capped waves. The sky is filled with dark, heavy clouds, but a bright light emanates from behind Jesus, creating a halo effect and illuminating the scene. The overall mood is one of divine power and mystery.

My Miracle and Messages from Above Lisa Lucero,2018-03-29 My Miracle and Messages from Above is a stirring and

heartwarming true story of a mother's love and the experiences as she comes to learn about the gift that God has blessed her with. The ability to hear from loved ones and others who have passed on. This book takes the reader on a journey as the author discovers herself her gifts and how God brought miracles to her life. *Miracles In Numbers* KIMBERLY L. RAY, 2025-04-08

In *Miracles in Numbers* we dive into the miracles Jesus performed while on the earth in human form. We will also see how many people He truly impacted. Not only did He change lives in that time period but all the people that have read or heard about all of His works were impacted as well. We will also identify and study the setting symbols and numbers that God uses in each miracle and how significant these are in providing a hidden message to reach all people that are willing to see it. God is speaking to us all the time but we tend to miss His dialogue and messages because we don't take the time to spend with Him on a regular basis. As we dissect each of Jesus' miracles we will see just how vocal He really is. *Notes on the Miracles of Our Lord* Richard Chenevix Trench, 1884
