Farhadian, 2014 The Oxford Handbook of Religious Conversion offers a comprehensive exploration of the dynamics of religious conversion which for centuries has profoundly shaped societies cultures and individuals throughout the world Scholars from a wide array of religions and disciplines interpret both the varieties of conversion experiences and the processes that inform this personal and communal phenomenon This volume examines the experiences of individuals and communities who change religions those who experience an intensification of their religion of origin and those who encounter new religions through colonial intrusion missionary work and charismatic and revitalization movements The thirty-two innovative essays provide overviews of the history of particular religions including Hinduism Buddhism Confucianism Taoism Sikhism Islam Christianity Judaism indigenous religions and new religious movements The essays also offer a wide range of disciplinary perspectives psychological sociological anthropological legal political feminist and geographical on methods and theories deployed in understanding conversion and insight into various forms of deconversion Publication North Carolina Agricultural Experiment Station, 1911 *Sociology of the Kibbutz* Ernest Krausz, 2020-10-28 This is the second volume of the publication series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today Studies of Israeli Society gathers together the best of Israeli social science investigation which was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays The contents of volume two focus on the sociology of a unique Israeli social institution the kibbutz Kibbutz society constitutes an important laboratory for the investigation of a variety of problems that have been of perennial concern to the social sciences Topics in this volume include relevant contemporary issues such as the dynamics of social stratification in a classless society the function and status of the family in a revolutionary society relations between generations industrialization in advanced rural communities and

collective economies versus the outside world The questions of the concept and development of the kibbutz social differentiation and socialization and work and production within the kibbutz possess a significance far beyond their immediate social context Does the kibbutz offer a model for an alternative communal lifestyle for the modern world How has the kibbutz changed over the past decades within the context of a rapidly modernizing Israeli society Emphasizing the nonfailure of the kibbutz experiment and contrasting it with many socialist cooperative and communal experiments that clearly did fail Martin Buber in his analysis attributes this success to the kibbutz's undogmatic character its ability to adapt structures and institutions to changing conditions while preserving its essential values and ideals This volume presents an excellent review of the social research undertaken on the kibbutz in the past decades and provides an introduction to the growing scientific literature on the kibbutz Contributors Melford E Spiro Menachem Rosner Martin Buber Joseph Ben David Daniel Katz Naftali Golomb Erik Cohen Arye Fishman Michael Saltman S N Eisenstadt Eva Rosenfeld Amitai Etzioni Ephraim Yuchtman Eliezer Ben Rafael Nissim Cohen Yonina Talmon Garber Joseph Shepher Lionel Tiger Edward C Devereux Reuben Kahane Ivan Vallier David Barkin John W Bennet Yehuda Don Uri Leviatan Eliette Orchan Shimon Shur and David Glanz

Second Generation Howard Fast, 1978 The Economics of Immigration Cynthia Bansak, Nicole Simpson, Madeline Zavodny, 2015-04-24 Economics of Immigration provides students with the tools needed to examine the economic impact of immigration and immigration policies over the past century Students will develop an understanding of why and how people migrate across borders and will learn how to analyze the economic causes and effects of immigration The main objectives of the book are for students to understand the decision to migrate to understand the impact of immigration on markets and government budgets and to understand the consequences of immigration policies in a global context From the first chapter students will develop an appreciation of the importance of immigration as a separate academic field within labor economics and international economics Topics covered include the effect of immigration on labor markets housing markets international trade tax revenues human capital accumulation and government fiscal balances The book also considers the impact of immigration on what firms choose to produce and even on the ethnic diversity of restaurants and on financial markets as well as the theory and evidence on immigrants economic assimilation The textbook includes a comparative study of immigration policies in a number of immigrant receiving and sending countries beginning with the history of immigration policy in the United States Finally the book explores immigration topics that directly affect developing countries such as remittances brain drain human trafficking and rural urban internal migration Readers will also be fully equipped with the tools needed to understand and contribute to policy debates on this controversial topic This is the first textbook to comprehensively cover the economics of immigration and it is suitable both for economics students and for students studying migration in other disciplines such as sociology and politics
