Second Messiah:

The Second Messiah Glenn Meade,2012-06-26 Featuring a Pocket readers group guide P 4 of cover **The Second Messiah** ,1997 Donation **The Second Messiah** Vince J. Procopio,2004-02-25 *The Second Messiah* Christopher Knight,Robert Lomas,2001-08-01 For almost seven and a half centuries a piece of cloth was venerated because it bore the image of the crucified Christ However but results of carbon dating have shown that the fabric could not have predated 1260 Now new evidence conclusively proves that it is not a face yet neither is it the image of Jesus Christ In the follow up to their groundbreaking first book *The Hiram Key* Christopher Knight and Robert Lomas continue their research into the mysteries of Freemasonry and the true historical Jesus and uncover the precise time and place of the shroud s creation The answer to the great mystery of the Shroud of Turin will surprise and astonish as the authors unlock the secrets of abandoned Freemason rituals and the man who would be called the Second Messiah The Second Coming of Jesus the Messiah E. Keith Howick,2003 *The Life of Jesus the Messiah* is a five volume set that discusses the life of Jesus Christ topically In volume 5 the second coming of Jesus is discussed The signs of His coming are explained both in historical context when prophesied to the Jews of Jesus time and in relation to our own day The volume s organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary **The Second Messiah** Vince Procopio,2017-05-05 The planet Earth is on the verge of destruction The protagonist Jason Reeves along with his two companions have been sent to try to change that lethal outcome Unfortunately an automobile accident robs Jason of his memory but not his purpose As a lonely amnesiac meanders through the streets of San Francisco he encounters street gangs crime hoodlums and a memorable prostitute As Jason s powers slowly start to unfold he finally discovers his identity and the mission he was sent to perform His life force is slowly being depleted as fate of the planet hangs in the balance But how does one begin the necessary process of transforming the Earth s inhabitants in the face of ubiquitous evil The negative energy emanating from Earth is reverberating throughout the universe and contaminating everything in its trajectory Destruction seems inevitable In the meanwhile a false prophet emerges with uncanny powers His unique abilities will precariously unite him with the Pope Each person harbors ulterior motives of uniting the world s religions Toward this end the ominous masquerade of the Second Messiah is set in motion with deadly consequences Messiah's Second Advent Calvin Goodspeed,1900 The Second Messiah: King of Earth Justin Mohn,2020-01-03 After a young adult musician named Buster Moon moves from a small farm in Ohio to the affluent city of Colorado Springs Colorado he quickly notices things aren t quite right and the people are strange As Buster becomes the main focus of the city and the entire state he slowly and painfully learns the dark secret of Colorado involving a widespread Satanic Cult the Democratic Party and the Cold War Eventually Buster gets more attention than he thought was possible for any artist but not in the way a normal celebrity does in the way a religious icon does The only thing

more absurd than this fiction book is the fact that it is loosely based on the life of author and musician Justin Mohn whose four year stay in Colorado caused multiple lawsuits and changed the possible outcomes of the 2020 U S Presidential election by exposing 3 Presidential candidates as corrupt and forced them to drop out

The Universal Kabbalah Leonora Leet,2004-09-29 This landmark work by an innovative modern Kabbalist develops a scientific model for kabbalistic cosmology and soul psychology Derived from the kabbalistic diagram of the Tree of Life and the author s own Sabbath Star diagram this universal model encodes the laws of all cosmic manifestation giving a mathematical basis to many aspects of this mystical tradition and providing a new synthesis of science and spirituality that may well write a new chapter to the Kabbalah
