THE GRAND SCHEME OF THINGS

Scheme Of Things

Julia Schneider

Scheme Of Things:

The Grand Scheme of Things Warona Jay,2026-01-27 Two unlikely friends hatch an extraordinary scheme to expose the theater world in this layered hyperaware and as entertaining as it is incendiary Mateo Askaripour New York Times bestselling author debut novel exploring perception redemption and how success shapes us all American Fiction meets Queenie The Grand Scheme of Things skewers racism in the arts while humorously and honestly exploring the importance of community and what we ll do for love and success Jenna Clake author of Disturbance Meet Relebogile Naledi Mpho Moruakgomo Or for short Eddie an aspiring playwright who dreams of making it big in London s theater world But after repeated rejections Eddie suspects her non white sounding name might be the problem Enter Hugo Lawrence Smith good looking well connected charismatic and very white Stifled by his law degree and looking for a way out of the corporate world he finds a kindred spirit in Eddie after a chance encounter at a cafe Together they devise a plan one which will see Eddie s play on stage and Hugo s name in lights They send out her script under his name and vow to keep the play s origins a secret until it reaches critical levels of success Then they can expose the theater world for its racism and hollow clout chasing But as their plan spins wildly out of control Eddie and Hugo find themselves wondering if their reputations and their friendship can survive

Reflections on My Call to Preach Fred B. Craddock,2009 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God s will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That s why advice about not being in a hurry taking my time was not helpful even if wise If it was my decision why could I not make it now if it was God s decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt from Reflections on My Call to Preach

The Roots of Evil John Kekes,2014-02-15 Evil is the most serious of our moral problems All over the world cruelty greed prejudice and fanaticism ruin the lives of countless victims Outrage provokes outrage Millions nurture seething hatred of real or imagined enemies revealing savage and destructive tendencies in human nature Understanding this challenges our optimistic illusions about the effectiveness of reason and morality in bettering human lives But abandoning these illusions is vitally important because they are obstacles to countering the threat of evil The aim of this book is to explain why people act

in these ways and what can be done about it John Kekes The first part of this book is a detailed discussion of six horrible cases of evil the Albigensian Crusade of about 1210 Robespierre s Terror of 1793 94 Franz Stangl who commanded a Nazi death camp in 1943 44 the 1969 murders committed by Charles Manson and his family the dirty war conducted by the Argentinean military dictatorship of the late 1970s and the activities of a psychopath named John Allen who recorded reminiscences in 1975 John Kekes includes these examples not out of sensationalism but rather to underline the need to hold vividly in our minds just what evil is The second part shows why in Kekes s view explanations of evil inspired by Christianity and the Enlightenment fail to account for these cases and then provides an original explanation of evil in general and of these instances of it in particular

God and the Meanings of Life T. J. Mawson, 2016-10-20 Some philosophers have thought that life could only be meaningful if there is no God For Sartre and Nagel for example a God of the traditional classical theistic sort would constrain our powers of self creative autonomy in ways that would severely detract from the meaning of our lives possibly even evacuate our lives of all meaning Some philosophers by contrast have thought that life could only be meaningful if there is a God God and the Meanings of Life is interested in exploring the truth in both these schools of thought seeking to discover what God could and couldn t do to make life meaningful as well as what he would and wouldn t do Mawson espouses a version of the amalgam or pluralism thesis about the issue of life s meaning in essence that there are a number of different legitimate meanings of meaning and indeed life in the question of life s meaning According to Mawson God were he to exist would help make life meaningful in some of these senses and hinder in some others He argues that whilst there could be meaning in a Godless universe there could be other sorts of meaning in a Godly one and that these would be deeper
