**Preaching as the Word of God** Sam Chan, 2016-07-12. According to the Reformers, preaching is the word of God. As the word of God, preaching is a foundation for the church. It is also vital for the personal growth of a Christian. But Christians are poorly equipped to understand how preaching is the word of God. Some Christians look for preaching that closely reproduces the text in the Bible. Other Christians look for preaching that creates maximal emotional and existential impact. And there is a lot of name-calling with Christians accusing preachers of not preaching the word. But what type of preaching is the word of God? The purpose of this book is to equip Christians to understand how preaching can be God speaking. It accomplishes this with a survey of the problem in the history of the church, a detailed overview of key biblical texts, and finally the application of the contemporary philosophical tool of speech act theory.

***Sure-Fire Preaching*** Jeff Dickson, 2015-09-02. Every Sunday morning ministers have a choice to make. They can give a motivational speech that is ankle-deep and laced with all kinds of inconsequential anecdotes, or they can preach Sure-Fire Preaching. Preaching is intended for those who choose the latter. A practical guide to biblical exposition that any preacher can use in their preaching ministry, Sure-Fire Preaching presents a tried and true method of presenting Scripture the way God intended for it to be communicated. In this resource, author Jeff Dickson presents the ideas of Dr. Paul Fink, whose career in preaching and teaching spanned fifty years at Grace Theological Seminary and Liberty University. Dickson covers the three most significant areas of sermonizing: the science of preaching, the art of sermonizing, and the miracle of voicing. Sure-Fire Preaching summarizes everything that is necessary for accurately, creatively, and effectively presenting Scripture and answering the call of 2 Timothy 4:2 to preach the Word.

***Preaching for God's Glory (Repackaged Edition)*** Alistair Begg, 2011-04-07. Every Christian, from the pastor to the newest believer, is to study the Scriptures and learn to handle the Word of God correctly. Yet far too many congregations are being fed sweet but empty words that leave them spiritually malnourished and ill-prepared to stand firm in their faith. Alistair Begg calls for a fresh commitment to biblical preaching in this newly formatted re-release. Drawing on his thirty-five years of pastoral ministry and the lessons of great preachers, Begg defines Bible-based preaching and outlines its practical implications within a local church.

***Basis of Preaching: Biblical Message: Preach the Word*** Rev. Dr. Koningthung Ngoru Moyon, 2024-11-07. Public speaking is one of the most important tasks and challenging to human beings. It is imperative for all committed Christians to learn and live with the Biblical truths. As such, the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of

God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law

**Basis of Preaching Biblical Message Preach the Word** is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book **Basis of Preaching Biblical Message Preach the Word** is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book [Live, Listen, Tell](#) Geoff New, 2017-03-03 **Live Listen Tell The Art of Preaching** will guide readers through the process of sermon preparation and hearing God through the Scriptures By drawing on life and Scripture especially the road to Emmaus narrative in Luke 24 the author illustrates that preachers are living a story listening to a story and telling a story This book encourages you to pay particular attention through prayer to the story to which you are listening Geoff New shows how to prayerfully listen to the Scriptures in preaching preparation and how the fruit of this leads to a sermon and impacts the way we live listen and tell [The Preaching of the Gospel](#) Karl Barth, 1963 The present work is primarily concerned with certain practical rules and suggestions about preaching which I still hold to be essential and worth considering or at least being read carefully and discussed Preface
