**For Every Fear a Promise** Brad Hicks, 2012-12 Real people face real fears. Dr. Hicks inspires you to discover that God has designed a way to help you cope with the fears in your life. There are many statements in Scripture that either explicitly or implicitly teach us not to fear. What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear. With each devotion, you will find a fear, not and a promise from Scripture. As you discover and appropriate those promises, your fears should begin to subside. You will find yourself identifying with the stories that illustrate Bible truths about fear, be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear, and confront your personal fears and discover God's overcoming promises through each Scripture-rich life-applied devotion.

*Scientific Approach to the Meaning of Life* Arturas Vaitaitis, 2024-01-17 In *Scientific Approach to the Meaning of Life*, science and spirituality intertwine through the captivating narrative of the author's personal journey. This compact yet profound book draws upon a spectrum of scientific fields while also charting the complex and mixed paths of religion and science through history, aiming to shed light on one of humanity's most profound questions: What is the meaning of life? Personal experiences are beautifully melded with insights from particle physics, evolutionary biology, and historical analyses, crafting an intimate yet lighthearted account of the search for life's purpose. Perfect for readers seeking a personal and intellectually stimulating exploration of life's most significant question, *Scientific Approach to the Meaning of Life* offers a compelling intersection of science, history, and personal discovery. This book promises a unique journey through the dimensions of existence, shaped by the author's scientific insight and personal journey.
