Perspectives On Communities A Community Economic Development Roundtable:

Perspectives on Communities Gertrude Anne MacIntyre,1998 *Active Partners* Gertrude Anne MacIntyre,1995

Community Economic Development Eric Shragge,Michael Toye,2006 Communities have long been ahead of governments in responding to changes in the economy forging ahead with innovative grassroots projects that now make up a substantial portion of economic development initiatives Having made major gains in practice and having built local capacities through innovation Community Economic Development now stands at a crossroads In Building for Social Change Eric Shragge Michael Toye and colleagues from across the country offer a timely critical examination of CED practices and debates This book is designed for CED practitioners for others working in community based organizations and those being trained There are a growing number of post secondary programs in English Canada that educate students in CED and related fields such as regional development yet there are not many publications that provide analytical perspectives and debate The goal of this book is to describe and analyze CED practice primarily in Canada through a wide range of subjects the evolution of its definitions economic dimensions and the key elements that form its context Building for Social Change situates CED in wide political economic and social contexts rich examples of the scope and practices and some of the limits in Aboriginal communities as a tool to support women psychiatric survivor enterprises housing and worker ownerships are explored to help spur further critical discussion and debate

Growing Civil Society Jon Van Til,2000 The third space is not independent from society s major institutions but exists in dynamic interdependence with them linking individuals in their home bases of family and community to the larger governmental and economic structures within which all citizens workers and consumers learn to seek their way in modern society

BOOK JACKET *Cape Bretoniana* Beaton Institute of Cape Breton Studies,2005-01-01 Nova Scotia s Cape Breton Island is a beautiful region with a unique community whose history and ethnic composition have resulted in the evolution of a powerful sense of identity and place While outsiders may think only of the island s perennial economic woes and long economic dependence on coal mining and steel production it is also the home of a rich vibrant and distinct culture Brian Douglas Tennyson s Cape Bretoniana is the first bibliography to gather together all known publications relating to the history culture economy and politics of Cape Breton Island With more than 6000 entries it not only provides a comprehensive listing of publications and post graduate theses but also detailed annotations on the listings Each entry lists the author title place of publication publisher date of publication volume and issue number in the case of periodicals and page references followed by a brief description of the item Cape Breton has never been so thoroughly documented This bibliography will help to ensure that even in a world becoming increasingly homogenized by the forces of globalization unique cultural identities like Cape Breton s can be preserved and nurtured
