Moses in the Twelfth Dynasty Egyptian Literature Aris M. Hobeth, 2002-06 Conventional biblical scholars tentatively position Moses during the Ancient Egyptian New Kingdom reign of Ramses II Not much evidence supports this view However the Egyptian Twelfth Dynasty stories provide so many details which match Exodus details that these coincidences strongly suggest that both sources are describing the same events Also a theory from the controversial Immanuel Velikovsky that the Passover angel was a comet fits into this reconstruction In addition a reading by psychic Edgar Cayce identifies the abused Hebrew as Moses previously unknown sister Sidiptu The reading hints that Moses killed the pharaoh who despoiled her This reconstruction not only identifies Moses in the Egyptian literature but also this sister and nine other characters seven pharaohs among them Includes a chart identifying the 12th Dynasty pharaohs as characters of the Exodus a merged chronology of the 12th Dynasty stories with Moses life events a seven page parallel chronology matching events of the bible with Egyptian 12th Dynasty events twelve family trees that position Moses and his role in some of these Egyptian stories 14 selected stories summarized and superimposed on Exodus events a 67 page glossary of relevant items a twelve page bibliography *The Academy and Literature*, 1887
