Secret Keepers is a beguiling second novel by the acclaimed author of *The Garden Angel* Secret Keepers Sue Alexander, 2014-11-20 Deep in the southern timberlands of Arkansas along a winding country road you will find a cottage on a hill It s June of 1959 and Sabrina is eleven and a half years old and for the first time she will be spending three weeks instead of her usual two with her grandparents Frank and Mary at Sugar Creek cottage Her cousin Annie will come almost daily to visit overnights included In past summers the most difficult decisions these adventurous girls had to make were which trails to hike what gift to make for Mary what books they would read for their summer reading club or which day they should visit Papa Laney This summer their decisions would go far beyond simple daily activities to new discoveries intrigue mystery and decades old secrets Together these two girls were like magnets they were bound to be attracted to unusual and complex situations that only their own ingenuity and determination could resolve Each have complimentary traits that used together give them a significant advantage when solving puzzles As the girls find themselves in humorous situations that will tickle your imagination watch as they successfully unravel

Legal Secrets Kim Lane Scheppelle, 1988 Does the seller of a house have to tell the buyer that the water is turned off twelve hours a day Does the buyer of a great quantity of tobacco have to inform the seller that the military blockade of the local port which had depressed tobacco sales and lowered prices is about to end Courts say yes in the first case no in the second How can we understand the difference in judgments And what does it say about whether the psychiatrist should disclose to his patient s girlfriend that the patient wants to kill her Kim Lane Scheppelle answers the question Which secrets are legal secrets and what makes them so She challenges the economic theory of law which argues that judges decide cases in ways that maximize efficiency and she shows that judges use equality as an important principle in their decisions In the course of thinking about secrets Scheppelle also explores broader questions about judicial reasoning how judges find meaning in legal texts and how they infuse every fact summary with the values of their legal culture Finally the specific insights about secrecy are shown to be consistent with a general moral theory of law that indicates what the content of law should be if the law is to be legitimate a theory that sees legal justification as the opportunity to attract consent This is more than a book about secrets It is also a book about the limits of an economic view of law Ultimately it is a work in constructive legal theory one that draws on moral philosophy sociology economics and political theory to develop a new view of legal interpretation and legal morality

Embracing the Beat of Appearance: An Emotional Symphony within **Secret Keepers**

In some sort of consumed by screens and the ceaseless chatter of fast connection, the melodic elegance and emotional symphony created by the published word frequently fade in to the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. However, nestled within the pages of **Secret Keepers** a marvelous literary prize overflowing with natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this interesting masterpiece conducts viewers on a psychological journey, skillfully unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths of this touching analysis, we shall discover the book is main harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
