Using contemporary language, illustrations, design, and graphics, this book confronts the problems of identity, security, and self-esteem that plague young teenage women today. Through a skillful examination of the Scriptures, it reveals the power for daily living that God has promised to believers and shows readers that the world has nothing compared to what God offers. Topics include Self Esteem, Power of the World, Power of the Underworld, the Holy Spirit, and Truth.

Secret Power to Winning, Happiness, and a Cool Wardrobe Susie Shellenberger, 2010-05-11 A Personal Bible Study on the Book of 1 Peter. Everyone wants to win, be happy, and whenever possible wear cool clothes in the process. And why not? That's what life and success are all about, right? Think again. The kind of success and wardrobe that author Susie Shellenberger writes about has nothing to do with money or buying power at the mall. It comes from God and from knowing who you are in God's eyes. With this interactive study of 1 Peter, you and your friends get a chance to examine God's ideas about what it means to be happy and successful. With true-to-life stories and practical tips, discover a secret power that's yours for the taking because Christ has already won it for us. We just need to follow his lead. The Secret Power Marie Corelli, 2021-04-26 In *The Secret Power*, Marie Corelli embarks on a profound exploration of spirituality and the unseen forces that govern human existence. Blending elements of mysticism and romance, Corelli constructs a narrative that interweaves philosophical musings with a captivating storyline, making it both thought-provoking and accessible. This novel, published in the early 20th century, reflects the burgeoning interest in metaphysics and the occult during the time, positioning it within a literary context that seeks to bridge the realms of science and spirituality. The lush prose and vivid imagery are hallmarks of Corelli's style, inviting readers into a world rich with emotional depth and metaphysical inquiry. Marie Corelli is often regarded as one of the best-selling authors of her time, passionately delving into themes of spiritualism and the supernatural, motivated by her own experiences and beliefs. Her divergence from traditional narratives and her desire to address profound questions about life's purpose and the power of the human spirit stemmed from both personal conviction and her life in a period of societal transformation. Corelli's powerful voice resonated with audiences who sought deeper understanding amid the rapid changes of the Victorian era. I highly recommend *The Secret Power* to readers interested in the intersections of literature, spirituality, and the human experience. Corelli's work not only captivates with its narrative charm but also challenges us to consider the hidden dimensions of our lives. This novel invites introspection and contemplation, making it a timeless read for anyone seeking to unlock the mysteries within and beyond.
