Studies on the Second Part of the Book of Isaiah ,1967 **The Second Isaiah** Christopher R. North, 2005-03-03 This all purpose commentary is by the author of *The Suffering Servant in Deutero Isaiah* It meets the needs of the specialist but most of it should be intelligible to preachers and teachers who know little or no Hebrew The Introduction discusses the literary structure of the prophecy the theology of Deutero Isaiah with some reference to current theological debate and the problem of Salvation History The exegetical notes are based on the author s own translation from the Hebrew text The purpose of the book is to elucidate the message of the Prophet in the context of Scripture as a whole *Remember the Former Things* Patricia Tull Willey, Patricia K. Tull, 1997 **Second Isaiah** ,1983 **studies on the second part of the book of isiah** Norman Henry Snaith, *The Promise of Deliverance* Casey, Michael ,2021-03-17 The Promise of Deliverance is a series of reflections on important themes of Isaiah 40-55 intended to add value to the reader s approach to the biblical text *Second Isaiah* John L. Mckenzie, 1965 **The second Isaiah : introduction, translation and commentary to chapters 40-55** Christopher R. North, 1964 The Anchor Bible: Second Isaiah ,1968 Fair Spoken and Persuading Richard J. Clifford, 1984 Within the last two hundred years critical scholarship has come to recognize that Chapters 40-55 of the Book of Isaiah are the work not of the eighth century Isaiah of Jerusalem but of an anonymous sixth century disciple standing in the Isaiah tradition This Second Isaiah spoke to a community who had once lived in Judah and Jerusalem but now a half century later were settled in Babylon Critical scholarship discovered Second Isaiah through its scientific methods The successive fads and fashions of that scholarship source criticism then form criticism have onesidedly determined interpretation Fair Spoken and Persuading criticizes previous approaches that took the book to be a series of fragments outbursts of a great lyrical poet It argues instead that Isaiah 40-55 is a collection of substantial speeches that reinterpret national traditions to answer a sixth century question how could the exiles be Israel outside of the sacred land The prophet s answer by making a fresh Exodus and Conquest The Judahites would become Israel through their brave and trustful journeying to Zion Second Isaiah s name for Jerusalem Second Isaiah is therefore not just a poet but an orator His program of action one becomes Israel through action is still relevant today for both Jews and Christians who seek authenticity through their actions Richard J Clifford is

**Women's Bible Commentary** Carol Ann Newsom, Sharon H. Ringe, 1998-01-01

In the critically acclaimed best seller *Women's Bible Commentary*, an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women, focusing on female characters, symbols, life situations such as marriage and family, the legal status of women, and religious principles that affect relationships of women and men. Now this expanded edition provides similar insights on the Apocrypha, presenting a significant view of the lives and religious experiences of women, as well as attitudes toward women in the Second Temple period. This expanded edition sets a new standard for women's and biblical studies.

**Second Isaiah. [Anchor Bible 20].** J.L. McKenzie, 1983

Isaiah 40-66 Shalom M. Paul, 2012-05-01

In depth exegesis from a renowned Hebrew scholar, this Eerdmans Critical Commentary volume is Shalom Paul's comprehensive, all-inclusive study of the oracles of an anonymous prophet known only as Second Isaiah, who prophesied in the second half of the sixth century B.C.E. Paul examines Isaiah 40-66 through a close reading of the biblical text, offering thorough exegesis of the historical, linguistic, literary, and theological aspects of the prophet's writings. He also looks carefully at intertextual influences of earlier biblical and extrabiblical books, draws on the contributions of medieval Jewish commentators, and supports the contention that Second Isaiah should include chapters 55-66, thus eliminating the need to demarcate a Third Isaiah.

**Isaiah 40-55** Joseph Blenkinsopp, 2002

Scholars have traditionally isolated three distinct sections of what is known as the Book of Isaiah, and in Isaiah 40-55 distinguished biblical scholar Joseph Blenkinsopp provides a new translation and critical commentary on the section usually referred to as Second or Deutero Isaiah. The second volume in a three-volume commentary, it easily maintains the high standards of academic excellence established by Isaiah 1-39. Second Isaiah was written in the sixth century B.C.E. in the years just before the fall of the mighty Babylonian Empire by an anonymous prophet whom history has erroneously identified with the real Isaiah, born ca. 765 B.C.E. Scholars know Second Isaiah was written by someone other than Isaiah because the contexts of these prophecies are so very different. When Second Isaiah was written, the prophet believed that Israel's time of suffering was drawing to a close. There was, he insisted, a new age upon them: a time of hope, peace, and renewed national prosperity. The main thrust of the prophet's argument was intended to rally the spirits of a people devastated by war and conquest. One of the most famous examples of this optimistic tone is the well-known and beloved Song of the Suffering Servant, which is found in Chapters 52-53 and about which Blenkinsopp has some challenging new ideas. The final chapters of Second Isaiah, however, are in an entirely different key, as it becomes clear that the new world the prophet foresaw earlier was not going to come to pass. This despair finds its most poignant expression in the final section of the Book of Isaiah, which Blenkinsopp will address in his forthcoming third
