Secret Scribbler:

The Case of the Secret Scribbler Edmund Wallace Hildick,1978-01-01 On the basis of a clue found in a library book the McGurk detectives search for the perpetrator and the victim of a crime they think will be committed in three days

The Case of the Secret Scribbles Edmund Wallace Hildick,1980-01-01 The Secret Scribbler Cynthia Richey,1994 When a former writer finds herself in trouble for writing treason material a handsome peer of the realm comes to her aid and walks away with her heart Richey is the author of Zebra s The Heart s Gamble and Walker s Love s Masquerade Regency romance **Case/Secret Scribbler-CC** , **The Case of the Secret Scribbler** Hildick,1981-04-01 On the basis of a clue found in a library book the McGurk detectives search for the perpetrator and the victim of a crime they think will be committed in three days Weekly Reader Books Presents The Case of the Secret Scribbler Edmund Wallace Hildick,1978 On the basis of a clue found in a library book the McGurk detectives search for the perpetrator and the victim of a crime they think will be committed in three days The Scribbler's Revenge Eric Johns,2015-04-02 E Rick Jones was stoically living out his final days in an old folks home when a young woman dropped a time travelling device onto the tartan rug which encased his withered limbs This did not surprise him because he had written about something of the sort in a short story The opportunity to travel in time presented him with the chance to repair the injustices of a lifetime and revenge himself on the literary establishment which had ignored him The only flaw in his plan was that the people to whom the device belonged wanted it back and the young woman who had stolen it kept reappearing at inopportune moments The one chance he had of survival was to adjust time itself so that the story of his life reached a satisfactory conclusion But if he did that the terrifyingly ruthless owners of the device would immediately know which timeline he was hiding in and come hunting for him Given all the time in eternity there surely had to be a solution **In Dark Alleys the Role Playing Game** , **The Mystery of the Mad Science Teacher** Marty Chan,2008-02-08 When Trina s bike is stolen Marty and Remi gear up to solve the case When Marty discovers he and Remi share the same feelings toward Trina things get complicated For Marty friendship loyalty and trusts don t seem as simple when the mystery of girls is involved **The Scribbler's Tale** Eric Johns,2014-10-21 Until he won a short story competition with a prize of 50 000 E Rick Jones didn t have any problems or at least no more than any other neurotic writer who spent most of his life in his writing shed at the end of his garden The problem was that in order to claim the prize Rick was required to be the British representative at the Digitalquill Freedom Conference in Argentina Unfortunately certain ruthless people who denied they had anything to do with MI6 thought that he was not the right person to represent his country and were happy to use threats and violence to convince him of this However there was another group of equally ruthless people who believed it was in his country s interest for him to go to S America which was the last place he wanted to go because there was a frightening amount of magic realism there and that was one genre of writing he couldn t stand Both groups regarded Rick as expendable All he wanted was his shed *Fanny*
