Moral Development And Politics:

Moral Development and Politics Richard W. Wilson, Gordon J. Schochet, 1980 **Democracy and Moral Development** David L. Norton, 1991 At a time when politics and virtue seem less compatible than oil and water Democracy and Moral Development shows how to bring the two together Philosopher David Norton applies classical concepts of virtue to the premises of modern democracy The centerpiece of the book is a model of organizational management applicable to the state business the professions and voluntary communities **The Relationship Between Moral Development and Political Ideology** Maria-Grace Castor, 1990 *The SAGE Handbook of Political Science* Dirk Berg-Schlosser, Bertrand Badie, Leonardo Morlino, 2020-02-11 The SAGE Handbook of Political Science presents a major retrospective and prospective overview of the discipline Comprising three volumes of contributions from expert authors from around the world the handbook aims to frame assess and synthesize research in the field helping to define and identify its current and future developments It does so from a truly global and cross area perspective Chapters cover a broad range of aspects from providing a general introduction to exploring important subfields within the discipline Each chapter is designed to provide a state of the art and comprehensive overview of the topic by incorporating cross cutting global interdisciplinary and where this applies gender perspectives The Handbook is arranged over seven core thematic sections Part 1 Political Theory Part 2 Methods Part 3 Political Sociology Part 4 Comparative Politics Part 5 Public Policies and Administration Part 6 International Relations Part 7 Major Challenges for Politics and Political Science in the 21st Century Ethics and Activism Michael L. Gross, 1997-08-28 Responsible citizens are expected to combine ethical judgement with judiciously exercised social activism to preserve the moral foundation of democratic society and prevent political injustice But do they Utilizing a research model integrating insights from rational choice theory and cognitive developmental psychology this book first published in 1997 carefully explores three exemplary cases of morally inspired activism Jewish rescue in wartime Europe abortion politics in the United States and peace and settler activism in Israel From all three analyses a single conclusion emerges the most politically competent individuals are most often the least morally competent This is the central paradox of political morality These findings cast doubt on strong models of political morality characterized by enlightened moral reasoning and concerted political action while affirming alternative weak models that fuse activism with sectarian moral interests They provide empirical support to further upend the liberal vision of democratic character education and society **Resources in Education** ,1976 **The Annals of the American Academy of Political and Social Science** ,1895 *The Moral Dimensions of Politics* Richard J. Regan, 1986 A unique integration of natural law moral and political theory and public policy The Moral Dimensions of Politics provides a thorough exposition of natural law theory examining its practical application to a wide variety of current issues including abortion civil disobedience the fairness of economic distribution and the justice of nuclear war Winners and Losers Irving Louis Horowitz, 1984 Leading sociologist Irving Louis Horowitz examines the

response social science has made to contemporary subjects and issues the so called new class of the intelligentsia the ecology movement social planning alienation privatization anomie the threat of nuclear war Horowitz evaluates as a social scientist the question of values those disclosed through analysis and those threatened by it and discusses the overall political and moral impact of knowledge and methodology in social science
