Doyle,2020-02-17 A must read for Christians struggling with the present political conversation Citizen helps Christians find our place in the politics of the world In these pages Bishop Andy Doyle offers a Christian virtue ethic grounded in fresh anthropology He offers a vision of the individual Christian within the reign of God and the life of the broader community He adds to the conversation in both church and culture by offering a renewed theological underpinning to the complex nature of Christianity in a post modern world How did we get here Is this the way it has to be Are there implications for conversations
