Moronic Inferno:

The Moronic Inferno and Other Visits to America Martin Amis, 1991-04-12 A collection of essays on America by the author of *London Fields* *Money* and *Yellow Dog* At the age of ten when Martin Amis spent a year in Princeton New Jersey he was excited and frightened by America As an adult he has approached that confusing country from many arresting angles and interviewed its literati filmmakers thinkers opinion makers leaders and crackpots with characteristic discernment and wit Included in a gallery of Great American Novelists are Norman Mailer Gore Vidal Truman Capote Joseph Heller William Burroughs Kurt Vonnegut John Updike Paul Theroux Philip Roth and Saul Bellow Amis also takes us to Dallas where presidential candidate Ronald Reagan is attempting to liaise with born again Christians We glimpse the beau monde of Palm Beach where each couple tries to out Gatsby the other and examine the case of Claus von Bulow Steven Spielberg gets a visit as does Brian de Palma whom Amis asks why his films make no sense and Hugh Hefner's sybaritic fortress and sanitised image are penetrated There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject and America has found in him a superlative chronicler

Atlantic Republic Paul Giles, 2006-11-23 *Atlantic Republic* traces the legacy of the United States both as a place and as an idea in the work of English writers from 1776 to the present day Seeing the disputes of the Reformation as a precursor to this transatlantic divide it argues that America has operated since the Revolution as a focal point for various traditions of dissent within English culture By ranging over writers from Richard Price and Susanna Rowson in the 1790s to Angela Carter and Salman Rushdie at the turn of the twenty first century the book argues that America haunts the English literary tradition as a parallel space where ideology and aesthetics are configured differently Consequently it suggests many of the key episodes in British history parliamentary reform in the 1830s the imperial designs of the Victorian era the twentieth century conflict with fascism the advance of globalization since 1980 have been shaped by implicit dialogues with American cultural models Rather than simply reinforcing the benign myth of a special relationship Paul Giles considers how various English writers over the past 200 years have engaged with America for various complicated reasons its promise of political republicanism Byron Mary Shelley its emphasis on religious disestablishment Clough Gissing its prospect of pastoral regeneration Ruxton Lawrence its vision of scientific futurism Huxley Ballard The book also analyses the complex cultural relations between Britain and the United States around the time of the Second World War suggesting that writers such as Wodehouse Isherwood and Auden understood the United States and Germany to offer alternative versions of the kind of technological modernity that appeared equally hostile to traditional forms of English culture The book ends with a consideration of ways in which the canon of English literature might appear in a different light if seen from a transnational rather than a familiar national perspective

Inside Story Martin Amis, 2020-10-27 An autobiographical novel that's a tender witty exploration of the hardest questions how to live how to grieve and how to die from the Mick Jagger of literature Amis is the most dazzling prose stylist in post war British fiction *The Daily Telegraph* A

charismatic compound of fact and fiction Martin Amis has retained the power to surprise Parul Sehgal The New York Times This novel had its birth in the death of Martin Amis s closest friend the incomparable Christopher Hitchens and it is within that profound and sprawling friendship that Inside Story unfurls From their early days as young magazine staffers in London reviewing romantic entanglements and the latest literary gossip not to mention ideas books and where to lunch Hitch was Amis s wingman and adviser especially in the matter of the alluringly amoral Phoebe Phelps an obsession Amis must somehow put behind him if he is ever to find love marriage a plausible run at happiness Other figures competing as Amis s main influencers are his literary fathers Kingsley of course his hero Saul Bellow the weirdly self finessing poet Philip Larkin and his significant literary mothers including Iris Murdoch and Elizabeth Jane Howard Moving among these greats to set his own path he winds up surveying the horrors of the twentieth century and the still unfolding impact of the 9 11 attacks on the twenty first and considers what all of this has taught him about how to live and how to be a writer The result is a love letter to life and to the people in his life that achieves a new level of confidentiality with his readers giving us the previously unseen portrait of his extraordinary world

Father and Son Gavin Keulks,2004-12-27 An innovative study of two of England s most popular controversial and influential writers Father and Son breaks new ground in examining the relationship between Kingsley Amis and his son Martin Amis Through intertextual readings of their essays and novels Gavin Keulks examines how the Amises work negotiated the boundaries of their personal relationship while claiming territory in the literary debate between mimesis and modernist aesthetics Theirs was a battle over the nature of reality itself a twentieth century realism war conducted by loving family members and rival antithetical writers Keulks argues that the Amises relationship functioned as a source of literary inspiration and that their work illuminates many of the structural and stylistic shifts that have characterized the British novel since 1950

Shop Talk Philip Roth,2001-09-25 In Philip Roth s intimate intellectual encounters with an international and diverse cast of writers they explore the importance of region politics and history in their work and trace the imaginative path by which a writer s highly individualized art is informed by the wider conditions of life Milan Kundera and Czechoslovakia Primo Levi and Auschwitz Edna O Brien and Ireland Aharon Appelfeld and Bukovina Ivan Kl ma and Prague Isaac Singer and Warsaw Bruno Schulz and Poland what is the intricate transaction between the susceptible writer and the provocative time and place Roth s questions go to the original conditions that stimulate the narrative impulse and he puts them to writers who are as attuned to the subtleties of literature as to the influence of the surrounding society Also included here are appreciative portraits of two of Roth s late friends each transfixed till the end by his artistic vocation the writer Bernard Malamud and the painter Philip Guston as well as several cartoons drawn by Guston a gift to Roth to illustrate his novella THE BREAST and printed here for the first time SHOP TALK concludes with Roth s essay Rereading Saul Bellow a vivid presentation of Bellow s achievement and in the spirit of this collection very much a colleague s reading

Wyndham Lewis and British Art Rock Thomas Keller,2024-02-12 This study connects the idiosyncratic

modernism of Wyndham Lewis co founder of the Vorticist art movement with works of several artists from the British art rock tradition among them Bryan Ferry David Bowie art punk pioneers Wire and electronic pop musician John Foxx By taking a transdisciplinary and intermedial approach to texts from two fields normally studied in isolation and staking out the elements of a shared modernist ethos the book presents a new perspective on both fields relevant to scholars of literature popular culture and the visual arts alike While the book rests on sound research from the fields of literary criticism art history and pop theory the structure and writing of the book is fundamentally designed to be accessible and comprehensible to non scholarly readers

Quest for Salvation in Saul Bellow's Novels Kyung-Ae Kim, 1994 This book is an enlightening study on some of the problems involved in interpreting Bellow s novels It examines the current critical approaches and discusses Bellow s literary position in close connection with Romanticism and Modernism This study is engaged in exploring the nature of the Bellovian hero s quasi religious or even mystical quest for salvation How does the hero encounter the moment of vision At what moment And what are the nature and the character of the epiphanic experiences in Bellow s novels These central issues are examined in links with the Jewish Christian tradition and Zen Buddhism The study concludes from the analysis of Henderson the Rain King Herzog and Humboldt s Gift that the Bellovian hero s quest for salvation is presented with irony and skepticism though with a deep religious vein
