**The Greatest Story Ever Forged (Curse of the Christ Myth)** David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions *Mary* Lesley Hazleton,2008-12-01 Starting with a dark skinned girl barely out of adolescence when she gives birth Lesley Hazleton weaves together the many facets of Mary s existence peasant villager wise woman and healer activist mother teacher and yes virgin though in a sense we have long forgotten She follows her through the worst any mother can experience the excruciating death of her child and then looks at how she transforms grief into wisdom disaster into renewal Strong and courageous the Mary we see here does not merely assent to her role in history but chooses it and lives it to the fullest The Rosary Handbook Mitch Finley,2017-08-03 Why has the Rosary remained such a popular Catholic devotional prayer In this upbeat and easy to read book Catholic author Mitch Finley explains that the simplicity and depth of the rosary make it a prayer for all seasons The Rosary is perfect for those times when words can t express our feelings when we want to contemplate the basic truths of our faith or when we simply want to enter into God s presence Finley includes a brief history of the Rosary and a short commentary on each of the twenty mysteries The revised edition of this best selling book offers several new features including guidance on praying the Rosary in groups as well as the Rosary s role in the Marian apparitions at Lourdes and Fatima Alternative ways to pray the Rosary a children s Rosary and the Fiat Rosary are also featured in this new edition making it a complete guide to this beautiful timeless prayer **The Ante-Nicene Fathers: Bibliographical synopsis, by Ernest C. globalization of economics ecologies politics and cultures It does so by incorporating the church into the fullness of time in the gospel narrative thereby helping us escape from the dead end of Friedman s flat world so that we can improvise healthier ways of being globally integrated *The Place of Story and the Story of Place* Ernst M.
