**Brutal** Kevin Weeks, Phyllis Karas, 2009-03-17 The former mobster recounts his life in the Boston underworld with Whitey Bulger in this New York Times bestselling true crime memoir I grew up in the Old Colony housing project in South Boston and became partners with James Whitey Bulger who I always called Jimmy Jimmy and I we were unstoppable We took what we wanted And we made people disappear permanently We made millions And if someone ratted us out we killed him We were not nice guys I found out that Jimmy had been an FBI informant in 1999 and my life was never the same When the feds finally got me I was faced with something Jimmy would have killed me for cooperating with the authorities I pled guilty to twenty nine counts including five murders I went away for five and a half years I was brutally honest on the witness stand and this book is brutally honest too the brutal truth that was never before told How could it Only three people could tell the true story With one on the run and one in jail for life it falls on me

**Deadly Force** Lawrence O'Donnell, 2018-06-26 An excellent case study of the Bowden killing from the New York Times bestselling author and host of MSNBC's *The Last Word* with Lawrence O'Donnell *The Boston Globe* Featuring a new preface and afterword by the author *Deadly Force* is the riveting story of a 1975 police shooting of an unarmed black man in Boston one of the first to draw national headlines and the dramatic investigation and court case that followed On a rainy winter night as James Bowden Jr left his mother's Roxbury house in his Buick two undercover officers sprang out running toward his car Shots were fired and Bowden slumped over the wheel Moments later he was pronounced dead on arrival at a nearby hospital The police argued that they had fired in self defense claiming that Bowden was an armed robbery suspect and that after they had ordered him to stop he had fired a shot at one of them And multiple internal investigations by the Boston Police Department exonerated the officers involved But Patricia Bowden James's widow knew better The truth will come out she said at her husband's funeral She sought a lawyer willing to take on the Boston Police Department and finally found one in Lawrence F O'Donnell the author's father a man whose past unbeknownst to Patricia Bowden made him the only man in town who could not refuse her case O'Donnell embarked on a highly contentious three year battle with the Boston Police Department to win justice for James Bowden Timelier than ever *Deadly Force* is a powerful indictment of police misconduct a
