Race Lives Greatest Lesson:

The Race Dee Groberg, Mac Anderson, 2004-06-01 An illustrated poem this is the heart wrenching story of a boy in a footrace hoping to win but falling again and again Each time he wants to give up knowing pace by pace that he has lost any chance of winning and that his dad watching from a distance will be disappointed But each time he gets back up and runs as hard as he can For in his heart he can hear the voice of his dad You haven't lost at all for winning is no more than this to rise each time you fall As the boy finishes the race the crowd cheers as loudly for him as for the winner and his father's proud look is his true reward

Her Rites Christy Angelle Bauman, 2024-04-30 A daring invitation to discover and claim your identity and purpose and to embrace the freedom to thrive right where you are A wise gentle and compelling vision of what needs to be consecrated in a woman's life the deaths and the births of hope Dan B Allender PhD founding president of the Seattle School of Theology and Psychology Every woman wants wholeness to be at home in her body in her relationships in her life But women too often feel that they don't belong to themselves The path to

wholeness to a woman belonging to herself is formidable and women know they can't travel it alone. Author, teacher, and therapist Dr. Christy Angelle Bauman has dedicated her life to guiding women on this path to meaning and profound joy. In *Her Rites*, Dr. Bauman takes you into her office and through six transformative exercises, a deep dive into the most common rites of passage in every woman's life when she sometimes loses hold of herself but also has a unique opportunity to reclaim herself. Birth, claiming how and why you came into the world, Initiation, coming of age, Exile, finding yourself, Creation, bringing something new into the world, Intuition, acquiring embodied wisdom that comes later in life, Legacy, living with emotional and spiritual readiness for one's own death. These rites help women to find wholeness and self-knowledge. Included in *Her Rites* are ritual templates and exercises that Dr. Bauman employs with her clients which will help any woman incorporate the principles of self-reclamation into her daily life. Dr. Bauman has seen again and again that by learning to pause and to reflect on these key moments, we can come home to ourselves and receive the gift of flourishing.
