## **Moral Reckoning:**

**A Grounded Theory of Moral Reckoning in Nursing** Alvita K. Nathaniel, 2003      **Essentials of Nursing Research** Denise F. Polit, Cheryl Tatano Beck, 2010 *Essentials of Nursing Research* is designed to teach students how to read understand analyze and evaluate research reports in nursing practice The Seventh Edition has been updated with stronger coverage of evidence based practice including content on how to read interpret and critique systematic reviews which are considered by many to be a cornerstone of evidence based practice Also included in the Seventh Edition a more balanced presentation of medical and social science methods and nomenclature enhanced coverage of qualitative research and more

**Colonialism: a Moral Reckoning** Nigel Biggar, 2023-02-02 A new assessment of the West's colonial record In the wake of the dissolution of the Soviet empire in 1989 many believed that we had arrived at the End of History that the global dominance of liberal democracy had been secured forever Now however with Russia rattling its sabre on the borders of Europe and China rising to challenge the post 1945 world order the liberal West faces major threats These threats are not only external Especially in the Anglosphere the decolonisation movement corrodes the West's self confidence by retelling the history of European and American colonial dominance as a litany of racism exploitation and massively murderous violence Nigel Biggar tests this indictment addressing the crucial questions in eight chapters Was the British Empire driven primarily by greed and the lust to dominate Should we speak of colonialism and slavery in the same breath as if they were identical Was the Empire essentially racist How far was it based on the theft of land Did it involve genocide Was it driven fundamentally by the motive of economic exploitation Was undemocratic colonial government necessarily illegitimate and Was the Empire essentially violent and its violence pervasively racist and terroristic Biggar makes clear that like any other long standing state the British Empire involved elements of injustice sometimes appalling On occasions it was culpably incompetent and presided over moments of dreadful tragedy Nevertheless from the early 1800s the Empire was committed to abolishing the slave trade in the name of a Christian conviction of the basic equality of all human beings It ended endemic inter tribal warfare opened local economies to the opportunities of global trade moderated the impact of inescapable modernisation established the rule of law and liberal institutions such as a free press and spent itself in defeating the murderously racist Nazi and Japanese empires in the Second World War As encyclopaedic in historical breadth as it is penetrating in analytical depth Colonialism offers a moral inquest into the colonial past forensically contesting damaging falsehoods and thereby helping to rejuvenate faith in the West's future      **A Moral Reckoning** Daniel Jonah Goldhagen, 2007-12-18 With his first book *Hitler's Willing Executioners* Daniel Jonah Goldhagen dramatically revised our understanding of the role ordinary Germans played in the Holocaust Now he brings his formidable powers of research and argument to bear on the Catholic Church and its complicity in the destruction of European Jewry What emerges is a work that goes far beyond the familiar inquiries most of which focus solely on Pope Pius XII to address an entire history of hatred

and persecution that culminated in some cases in an active participation in mass murder More than a chronicle A Moral Reckoning is also an assessment of culpability and a bold attempt at defining what actions the Church must take to repair the harm it did to Jews and to repair itself Impressive in its scholarship rigorous in its ethical focus the result is a book of lasting importance
