Morality And Work:

Morality and the Professional Life Brincat,2000 *Morality and the Professional Life* Cynthia A. Brincat,Victoria S. Wike,2000 For courses in Professional Ethics Ethics and the Professions Work and Society and Business Ethics Unique in perspective this text offers a comprehensive values based approach to professional ethics that is sensitive to the primary ethical issues of the workplace and that offers a positive way for dealing with these issues It focuses on values important to all professionals and on how people do their work not what type of work they do and recognizes the strengths of various moral theories and the ways to harmonize as many moral values as possible Part One provides a thorough introduction to moral concepts theories and forms of reasoning for students with little or no background in ethics Part Two discusses the values that are central to the moral life of professionals integrity respect for persons justice compassion beneficence and nonmaleficence and responsibility A unified mix of text readings from literature philosophy and the professional ethics canon exercises cases for discussion and discussion questions offer numerous opportunities for practice in interpreting values and applying them to the workplace

Work and Quality of Life Nora P. Reilly,M. Joseph Sirgy,C. Allen Gorman,2012-05-31 Employees have personal responsibilities as well as responsibilities to their employers They also have rights In order to maintain their well being employees need opportunities to resolve conflicting obligations Employees are often torn between the ethical obligations to fulfill both their work and non work roles to respect and be respected by their employers and coworkers to be responsible to the organization while the organization is reciprocally responsible to them to be afforded some degree of autonomy at work while attending to collaborative goals to work within a climate of mutual employee management trust and to voice opinions about work policies processes and conditions without fear of retribution Humanistic organizations can recognize conflicts created by the work environment and provide opportunities to resolve or minimize them This handbook empirically documents the dilemmas that result from responsibility based conflicts The book is organized by sources of dilemmas that fall into three major categories individual organizational internal policies and procedures and cultural social forces external to the organization including an introduction and a final integration of the many ways in which organizations can contribute to positive employee health and well being This book is aimed at both academicians and practitioners who are interested in how interventions that stem from industrial and organizational psychology may address ethical dilemmas commonly faced by employees

Moral Reasoning at Work Øyvind Kvalnes,2019-04-10 This book is open access under a CC BY license Moral dilemmas are a pervasive feature of working life Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research It argues that decision makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas The second edition has been updated with a range of examples from the author s more recent research to reflect current issues affecting organizations in the digital age With two new chapters on artificial intelligence and social media this new edition provides an up to date

overview of ethical challenges in organizations *The Complete Works of Friedrich Nietzsche: The will to power, tr. by A.M. Ludovici. 1914-13* Friedrich Wilhelm Nietzsche, 1914 Science, Truth, Religion and Ethics as Foundations of a Rational Philosophy of Life Harry Mann Gordin, 1924 **Moral Politics** George Lakoff, 2010-12-15 In this classic text the first full scale application of cognitive science to politics George Lakoff analyzes the unconscious and rhetorical worldviews of liberals and conservatives discovering radically different but remarkably consistent conceptions of morality on both the left and right For this new edition Lakoff adds a preface and an afterword extending his observations to major ideological conflicts since the book's original publication from the impeachment of Bill Clinton to the 2000 presidential election and its aftermath

Ethics and the Good Life Brad Art, 1993 This work offers an introduction to ethical theory by discussing morality in terms of living the best life With humour and a jargon free style the author examines the methods and central moral questions of philosophy Readers become involved in genuine philosophical arguments through a dialogue format that includes a series of conversations with resurrected philosophers In these conversations readers critically evaluate moral theories as the philosophers articulate their positions *Journal of Character Education* Marvin W Berkowitz, Jonathan M. Tirrell, 2022-12-01 The Journal of Character Education is the leading source of cutting edge knowledge about character education research theory practice and opinion We define character education broadly to encompass all educational approaches designed to nurture students knowledge motivation skills and behavior concerning all four aspects of character moral performance civic and intellectual The Journal publishes manuscripts that report research relevant to character education conceptual articles and book reviews that provide theoretical historical and philosophical perspectives on the field of character education as it is broadly defined above The Journal is also interested in practical articles about implementation and specific programs and informed opinion statements Teachers Without Borders? Alyssa Hadley Dunn, 2013 *Plato, the Man and His Work* Alfred Edward Taylor, 1926 The Principles of Ethics Herbert Spencer, 1904 Separates the contents into three parts ethics and its related subjects diversity of the ideas towards ethics and ethics in man's way of life **Moral Reasoning at Work** Øyvind Kvalnes, 2020-10-09 This book is open access under a CC BY license Moral dilemmas are a pervasive feature of working life Moral Reasoning at Work offers a fresh perspective on how to live with them How do we cope with situations where no matter what we decide to do something will be wrong How do we live with the moral dissonance between what we are tempted to do and what is in line with our moral convictions What can organizations do to establish a foundation for responsible decision making and conduct This book combines research streams from ethics and moral psychology using extensive experience of sessions of moral reasoning with leaders and employees in organizations It argues that there is a need to go beyond compliance and traditional approaches to ethics in order to prepare decision makers for moral dilemmas Organizations can do that by encouraging people to become actively and regularly involved in moral reasoning at work This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting
