

## ( INTERVIEW WITH PAUL MEIER )

### INTERVIEW WITH AN END-TIMES EXPERT

Paul Meier has done a lot of things in his life. If by "a lot of things" you mean "a dizzying amount of achievements that would make sobers look inefficient." At least it seems that way. He's a nationally recognized (and still practicing) psychiatrist, a pioneer in the field of integrating the physical nature of health with its psychological and spiritual dimensions. He's the founder and director of the well-respected Meier Clinics (there are twenty-two nationwide). He's the bestselling author, coauthor, or editor of more than seventy books, including *Happiness Is a Choice*, *Don't Let Jerks Get the Best of You*, the fictional End-Times thriller *The Third Millennium*, and its sequel. He has both a medical degree and a degree from Dallas Theological Seminary (the Mecca of premillennialist thought), where he taught for twelve years. He knows more Scripture than the pope. He travels the globe investigating biblical archeology. He can play anything on the piano if you'll hum a few bars. And he can juggle poisonous tree frogs with his feet.

Five. That last one might be a stretch.

Paul Meier knows and does a lot of stuff, but one of his true passions is eschatology—the study of *The End*. So who better to talk to about biblical prophecy, the psychology of belief in the Rapture, and why he's not the world's most famous author of End-Times fiction?

It's right there in the title of this section that you're supposed to be an expert on the End Times. In the interest of journalistic integrity, how about justifying that bold claim? Well, I don't consider myself an expert on biblical prophecy, but I can make guesses as good as anybody else because of the following factors:

Number one, I have meditated on Scripture all my life. It was drilled on me every night at the supper table since I was born. I began reading and meditating on the Bible daily on my own when I was ten years old. I am almost sixty now and continue to do that daily, as I always have.

Two, prophecy has always been my favorite part of the Bible. I read books on it growing up. I took courses on it from the late Dr. John Walwood (long-time president and chancellor emeritus at Dallas Theological Seminary and one of the world's leading scholars on Bible prophecy) while getting my seminary degree at DTS. I did a Bible prophecy tour of Israel with Babylon expert Charlie Dyer (another DTS professor and author of 1991's *The Rise of Babylon: Signs of the End Times*, about Saddam Hussein). And I personally wrote four Bible prophecy novels.

Three, I memorized passages of Scripture from every single chapter in the Bible that had anything to do with prophecy, doing this up to four hours a day from 1985 to 1992.

And there are my professional credentials, of course. I'm a Christian psychiatrist of Jewish descent, although I did not find out both of my parents were part-Jewish until my mom finally let out the family secret in 1999, which is another story altogether. Anyway, I'm a psychiatrist who is very creative and right-brained (musical, intuitive, emotional, etc.), who has authored more than seventy books, who has a B.S. in Biology, an M.S. in an "Alumni
