Long Weekend With Marcel:

Cowboy of The Road: True Stories of His Survival Valerie M. Pontbriand, 2021-02-28 Childhood or wildhood This collection of stories begins with a young boy whose cleverness ability and determination are more in line with an adult rather than the curious minded six year old that we are introduced to in the first story Normal was never to be a part of Marcel Pontbriand s life Orphaned at the tender young age of 14 and with only pennies to his name you ll read about how he took to the ice roads of Canada and met with fear tragedy and obstacles that only few could even imagine Challenge defeat and the curses of Mother Nature would forge the young Marcel into a focused dreamer who would plan re examine his situation and promise himself a better life all the while pledging to help others along the way Just like the highways of Canada and the U S A it s never a straight path to meet a timeline and a destination These stories will take you on an adventure of one man s life that was intertwined with controversy crime and corruption It s been a truckin hard life for Marcel Pontbriand a life that he would not change in the least because it molded him into what he became to be called Cowboy of the Road He has driven more than 5 million miles behind the wheel of his Peterbilt rig So let us begin this incredible collection of true tales right now
